Ed hits Cam over cost of living crisis

ED Miliband has accused David Cameron of trying to "magic away" the problems of struggling families by claiming credit for falling oil prices.

The Labour leader said workers would be "choking on their cornflakes" after the Prime Minister urged firms to give pay rises with the windfall from cheaper oil.

He warned that the Tories' only plan was slashing state spending further, and accused Mr Cameron of cowardice for dodging televised general election debates.

In a speech to the Fabian Society he said: "Week after week, month after month, year after year, this Government has shown a tin ear for what is really going on.

"They have denied the cost of living crisis. They have been woefully out of touch with the daily struggles of families."

He added: "You can't magic away people being £1,600 a year worse off by trying to take credit for falling oil prices."

Five held over school killings

SECURITY forces in Afghanistan have arrested five men suspected of being involved in the massacre last month at a military school in Pakistan in which 148 people were killed, mostly children.

Officials said the men, all foreign nationals, helped support the assault at the Army Public School and College in the city of Peshawar.

They said the suspects had all been arrested in recent weeks near the eastern border with Pakistan.

LOCKDOWN EUROPE

Troops on streets as authorities braced for new terror attack

EUROPE looked like a WAR ZONE yesterday as troops across the Continent took to the streets – amid fears that Islamist nutjobs were planning new outrages.

Up to 300 soldiers were mobilised in Brussels, Antwerp and elsewhere following a series of anti-terror raids in Belgium which led to more than 20 arrests.

Europe is on high alert after Islamist gunmen killed 17 people in Paris 10 days ago. Uniformed soldiers could be seen outside Jewish schools and government buildings in Belgium yesterday.

"Up to 300 troops will be progressively deployed," the Belgian Prime Minister's office said in a statement .

"The mobilised troops will be armed and their primary responsibility will be to survey certain sites," it said, adding that the soldiers could be sent to cities such as Verviers.

Defence ministry officials said 150 police were already in place, a number that they expected to double over the course of the coming week.

Belgium launched a series of raids on Thursday evening on a group of suspected jihadists.

Verviers was the site of one of the raids, where a shootout left two suspects dead.

Guns, munitions and explosives, as well as police uniforms and a large amount of money, were all seized by police during the operation. Prosecutors said the group had planned to kill police officers.

No link has been made between the terrorist plot in Belgium and last week's attacks in Paris on a satirical magazine, police and a kosher supermarket.

Threats

But the French Prime Minister Manuel Valls said on Friday that, despite this, both countries faced the same threats.

Almost 15,000 troops have been mobilised to provide additional security across France.

Other countries in Europe are also on high alert for potential terror threats.

Police in Germany have also arrested two men following raids on 11 properties on Friday, involving some 250 cops.

CHANNEL TUNNEL SHUT IN BLAZE DRAMA

HOLIDAYMAKERS suffered hours of travel misery yesterday after all Eurostar trains were cancelled due to a lorry fire in the Channel Tunnel.

The blaze at the French end of the tunnel saw all services between London and the Continent cancelled for the rest of the day, leaving many trapped in France and others unable to start their trips abroad.

Eurostar said all trains were returning to original stations because the tunnel would be closed until further notice.

In a message posted on its website: "If you were planning to travel today, we advise you to postpone your journey and not to come to the station."

Eurostar foot passenger trains link St Pancras in London with Paris and Brussels, while the Eurotunnel car and freight service connects Folkestone with Calais. Both have been suspended.

A spokesman for Kent Police said: " A lorry fire has led to the closure of both bores of the Channel Tunnel. The fire was at the French end of the tunnel."

Students join search for missing teen Euan

SCORES of university students yesterday joined water rescue professionals as the search for teenager Euan Coulthard stretched into its third day.

Police say their "concerns are rising" for the 19-year-old but remain hopeful he will be found safe and well.

The law student from Durham University has not been seen or heard from since shortly before midnight on Wednesday, when CCTV captured him crossing the pedestrian Framwellgate Bridge alone. Police have established that his mobile phone powered down several minutes later.

On Saturday around 100 fellow students continued to work alongside rescue teams as searchers began to scour the fast-flowing River Wear below. Its waters reached about three-feet higher than usual earlier this week.

"Because the river has been so high, today, Saturday, has actually been the first opportunity we've got to search the river as well as the banks," Ch Insp Sue Robinson said.

"Our concerns are rising. However, this is still an active missing from home inquiry, and we'll continue in that vein until we receive information otherwise."

Council blaze: Man in court

A MAN has appeared in court charged over a spate of arson attacks.

Andrew Main, 47, of Roke Marsh Farm, Roke, Wallingford, appeared before Oxford JPs in connection with fires set in the early hours of Thursday morning.

He is charged with two counts of arson with intent to endanger life and two counts of arson reckless as to whether life was endangered.

The charges relate to fires in Crowmarsh Gifford and Roke Marsh Farm. The South Oxfordshire Council offices, a funeral parlour and a thatched cottage were targeted.

He was remanded to appear at Oxford Crown Court on January 30.

"My parents are fine with it. They know it's about me playing a role. I'm not sure my mum has shown my granddad some of my videos, though."

Pixie's next gig will see her performing live at the National Television Awards on Wednesday.

"I'd also need some sort of art to keep me stimulated.

Co-star's scrotum shocker

EASTENDERS actor Danny Dyer has plums so big they look like a MANGO!

That's the shocking scrotal confession by former co-star Ryan Sampson, who worked him on ITV2's Roman comedy *Plebs*.

Speaking to *Sunday Sport* ahead of the DVD release of *Plebs* series 2, Ryan revealed Danny's gigantic gonad secret.

The 29-year-old said: "He's got this thing, and he wouldn't mind me saying this I'm sure – elephantitis of the balls.

"It might sound like a joke, but it looks like a mango. He's desperate to show everyone. It's a not-very-well-kept industry secret.

"It's like Bigfoot – at some point somebody's going to catch it on camera. Then everyone will know about it."

Ryan also said Danny, who plays Mick Carter in the BBC1 soap, has a mad drinking game.

The aim is to match Danny, 37, in whatever he downs.

Ryan admitted: "It was impossible. We were all smashed by the end. He's a machine. The first thing he did was order Limoncello for everyone. That gives you an idea."

Bench kip drunk had cock in hand

A COURT ordered a man to be treated for his booze problem after he fell asleep on a bench with his COCK in his hand.

Cops found Lain Elliott, 45, with his trousers down and his willy exposed in his right hand outside a community centre.

A can of lager was next to him and there was urine on the ground under the bench in Tunbridge Wells, Kent.

"I am disgusted with myself. I won't be going back there either."

Elliott was given an 18-months community order and must go on an a six months alcohol treatment programme for outraging public decency.

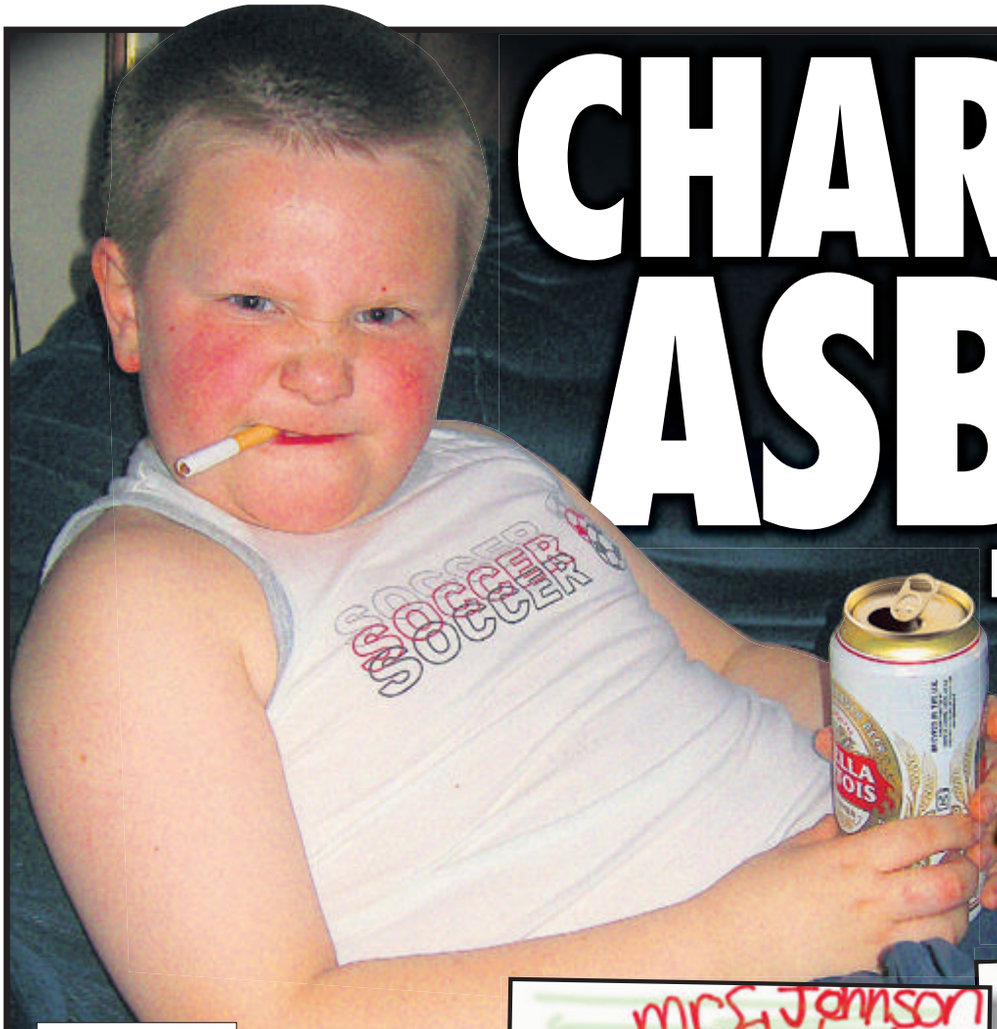
CHARLIE ASBO!

Nine-year-old sent home from school for drawing 'provocative' cartoons



ART ATTACK: Damian's creations left his fellow pupils in tears

TEARAWAY Damian Garside was sent home from school for daubing "provocative and offensive" cartoons during an art class.

Now the nine-year-old's mum is comparing his case to that of the French magazine *Charlie Hedbo*, which came under murderous attack for publishing cartoons of the Prophet Mohammed.

Last weekend in Paris more than one and a half million people marched in support of *Charlie Hedbo*, where 12 people were murdered in an attack by Islamic terrorists.

Oppressing

And Damien's mum Kylie wants the world to stand up for her son's "freedom of speech and expression and that".

Kylie, 25, from Crewe, Cheshire, stormed: "I can't f**king believe that teachers will send our Damien home for drawing cartoons when Prime Minister and King of Germany and that were saying we had to stand up for cartoons in that French comic.

"I went down that school when they sent our Damien home and told the headmaster that he was oppressing our Damien's freedom of speech and that I'd get Lawyers 4U on him.

"But he threatened to call cops on me – just because I were a bit drunk. F**king bastard."

A spokesman for St Jude's Primary said: "The drawings Damien drew were provocative, offensive and upsetting for the other children.

"Poor little Ivan Cohen wet his trousers when he saw the one of the lady and the wolves. We are not trying to stifle Damien's imagination, far from it. He is an imaginative and talented artist, but the images are not in any way appropriate for Year 5."

Despite the global outpouring of support for *Charlie Hebdo*, backing for Damian – who has three Asbos to his name – has been more muted.

One parent from St Jude's – who asked not to be named – said: "Our Shannice said it was of fannies and axes and dogs and shit. He's sick in head, that lad."

More than three million people took part in unity marches across France on Sunday, with an estimated 1.6million in Paris alone.

Many carried placards reading "Je Suis Charlie" – I Am Charlie.

Last week Charlie Hebdo published as usual, with a picture of the Prophet Mohammed on the cover.

THE VOICE OF YOUR BRITAIN

We're putting our weight behind Jade

LESSER, more judgemental newspapers than your Sunday Sport, have had a merry old time berating Janice Manzur and her daughter Amber.

To be sure, the Manzur ladies from Kirkcaldy, Fife, are a little on the heavy side.

Mother and daughter weigh a combined 43 stone and together rake in £30,000-a-year from the taxpayer.

The parish even pays for mobility scooters for them.

It's not the job of this newspaper to judge – no matter how much our sherry-sipping colleagues working on fancypants London-based publications may sneer.

But we will put our heads above the parapet to praise Mrs Manzur's elder daughter Jade.

For the 26-year-old certainly pulls her weight – literally – earning a crust as oversize porn star.

Again, our soft rivals would snipe and sneer at Jade's career choice.

They would criticise her if she claimed benefits and also criticise her for earning a living.

Well not us!

We salute Jade – and look forward to Janice and Amber joining her in front of the camera.

Thirsty tramps are a Special case

WHEN the big beasts of the political world strut, it is always the little people who get trampled.

Our nation's lively gentlemen of the road are almost entirely fuelled by this robust tincture.

So goodbye to yelping at buses, hurling carrier bags of excrement and chattering to street furniture.

Britain's highways will be greyer places thanks to this initiative.

Lucas lashes out at Oscars

***STAR Wars* creator George Lucas has SLAMMED the Academy Awards, accusing the ceremony of 'hurting' the movie industry.**

Lucas's sci-fi flicks won a string of Oscars, with *A New Hope* picking up six gongs in categories like Best Music and Best Effects.

But Lucas (above), 70, says he wants to see the glitzy bash, which takes place next month, blasted into space.

He moaned: "The Oscar nomination process is a political campaign. It has nothing to do with artistic endeavour at all.

"Why do we elect Academy members – people who drift toward not the most talented, best, and brightest we have in the country?

"It's all political... I think it hurts everybody."

Lucas acted as executive producer on new animated flick *Strange Magic*, which hits UK cinemas February 11.

CAMI LI: My sex in nightclub loo

SULTRY *Celebrity Big Brother* babe Cami LI has let slip her kinky TOILET sex secret.

The busty brunette, real name Camila Figueras, has been wowing Channel 5 viewers with her low-cut tops and enormous boobs.

But what fans DON'T know is that Cuban-American model Cami, 28, loves shagging in nightclub BOGS.

When asked, "Where's the craziest place you've ever hooked up with someone?" during a recent interview, she blurted out: "Club bathroom! Lol!"

And discussing her nookie preferences, the pin-up added: "Sex on top or bottom? Top, please!"

So far Cami, who was once engaged to *The Only Way Is Essex* star Kirk Norcross, has kept her bouncy curves covered on the reality TV show.

By NEIL GOODWIN

But she hasn't always been so shy – as our see-through nip pics from a lingerie shoot show!

Meanwhile Cami is also hiding another secret – the intimate tattoo on her MINGE!

She explained: "I had just recovered from a bad horseback riding accident and felt like I was lucky to be alive.

Naked

"I went to some ghetto tattoo shop and got a tribal butterfly on an area that will not be discussed. Sorry mom!"

Inked Cami says she's more than comfortable being naked.

She explained: "People are so conservative and when they look at me I'm like, 'bitch, I work out to look good naked'.

"I don't care what they say. You were born naked so why not?"

And if you want to get into her knickers, for the love of God don't be nice whatever you do!

The Puerto Rica-born vixen laughed: "I love a man with tattoos, and he HAS to be taller than me.

"Bad boys are my favourite. I feel like guys are too nice to me. I want someone who won't let me walk all over them. No one likes a pushover.

"I love a smart man who can hold a conversation.

"And I can't stand a man who cannot dress well. Personality wise, again, I don't like someone who is too nice!"

PATSY KENFIT

Babe's BREAST bits

By JUSTIN DUNN
justin@sundaysport.co.uk

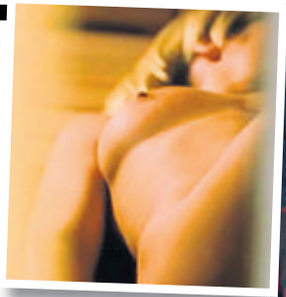
IT seems we've been ogling Patsy Kensit's perfect charms forever – and that's because we pretty much have!

Forty two years after her first appearance on the box, she's one of the finest bits of totty in the *Celeb Big Brother* house.

Her first topless film role was opposite Mel Gibson in *Lethal Weapon 2* in 1989, and she's peeled off plenty of times since then.

She's also famous for her well-known ex-husbands – Big Audio Dynamite's Dan Donovan, Jim Kerr from Simple Minds, Oasis singer Liam Gallagher and DJ Jeremy Healy. The mum of two's pals are A-list too – in 2007 she was pictured with an equally topless Kate Moss on a yacht moored in St Tropez, France, while then hubby Liam looked on.

A friend said: "Patsy's one of life's survivors. And she looks great on it."



Cami missing her bosom pal

DISTRAUGHT model Cami Li was left hugging her teddy bear yesterday after her bedroom buddy Chloe Goodman was evicted on Friday night.

Cuban-American Cami, 38, and Brit Chloe, 21, grew EXTREMELY close in the *CBB* house, sharing a bed and putting on a mock lesbo show for housemates.

And Cami – as well as viewers – is clearly visibly missing her sexy mate.

While clutching her furry toy, Cami said: "I'm having withdrawal symptoms."

'Thick and dumb' Alicia hits back

FUMING glamour model Alicia Douvall told fans yesterday: "I'm NOT thick!"

The busty blonde, 35, was labelled 'slow' by house bitch Katie Hopkins.

But Alicia says she's no fool.

The mum-of-two rapped: "You hurt me when you say I'm thick. I don't have to stoop to that level to get a pay cheque at the end of the month.

"I'm not thick, I realise everything. You are taking me for a fool."

But rival pin-up Cami Li was having none of it, shrieking at Alicia: "I feel sorry for you because you are thick and f**king dumb.

"I can go home to a family that loves me when obviously you don't."

Keith's birthday a total washout

MISERABLE Keith Chegwin celebrated his birthday in the *CBB* house yesterday... by having to do an enormous pile of washing up!

The funnyman turned 58 on Saturday, and began the day with a smile on his face, telling everyone: "I'm in a really good mood today!"

But Katie Hopkins warned him, 'That could soon change...' and Keith soon found himself up to his elbow in Fairy Liquid before making a start on the laundry.

He quipped: "Well, this is nice isn't it!?"

CELEBRITY BIG BROTHER

If you thought his N-word banter was bad...

KINKY KEN FLOPPED HIS SAUSAGE IN BET LYNCH'S HAND

BOOTED OUT: Ken left *CBB* house last week

CONNED: Soap legend Julie as Bet Lynch

CELEB Big Brother reject and ex-*Corrie* legend Ken Morley once conned a co-star into feeling his knob – by pretending it was a mouldy SAUSAGE!

The actor, who played Reg Holdsworth in the 1990s, claimed he had bought a dodgy hotdog from the ITV canteen.

Then he asked actress Julie Goodyear, 69, who played feisty landlady Bet Lynch, to cop a feel of it – before revealing it was his WILLY!

His outrageous antics were revealed on the out-takes of a DVD of *Celebrity Come Dine With Me – Extra Spicy*. Ken, 71, and Julie were joined by Phillip Middlemiss – who used to play Street bookie Des Barnes – and Tupele Dorgu, who portrayed Kelly Crabtree.

By JUSTIN DUNN
justin@sundaysport.co.uk

Prodded

Phillip, 48, let slip: "I remember Ken entering the Green Room and telling someone who was sat there that he'd bought a hotdog for £3.50, and it had gone off.

"This certain person prodded it and said: 'Oh yes, it feels like it's gone off.'

"Ken withdrew his scabbard and there was his old chap that he had put through a hole in the carton."

Then Julie admitted it was her who he conned.

She added: "I was doing a serious scene at the time. Ken is very, very naughty – he's like a naughty schoolboy."

When he appeared on a celeb version of *Come Dine With Me* in 2010, Ken admitted he once got a BONER while dancing with Barbara Knox (Corrie's Rita). He joked: "I had to beat it down with a wooden spoon."

Morley was ejected from the house on Monday just days after repeating the word "negro" and joking about lusting after the younger female contestants' bottoms.

He followed ex-*Baywatch* star Jeremy Jackson, who was booted out 24 hours earlier for drunkenly exposing model Chloe Goodman's boob.

KATIE v KATIE

Pundits predict a Hopkins - Price final

THE two Katies are set for a fight to the death in the *Celebrity Big Brother* house, as bookies predict they'll be the last two standing!

Glamour model Katie Price, 36, joined the show on Friday night as a late addition following the premature ejections of Jeremy Jackson and Ken Morley.

And Price quickly struck up an unlikely alliance with gobshite Katie Hopkins, 39, despite the pin-up promising a showdown with the former *Apprentice* contestant.

And now odds-makers reckon the two bolshie women will both make it to the final when the show comes to an end on February 6.

Price was promptly installed as clear favourite to win the series yesterday, with most bookies offering odds of 10/3 for her to triumph.

Warmed

Hopkins isn't far behind with odds of 9/2.

Oddly. Katie H is getting on SO well with Price that she even offered to write her WEDDING vows for her. Patsy Kensit also warmed to Price, aka Jordan, telling her: "I think you're sound."

One person Price is NOT getting along with, however, is annoying American blogger Perez Hilton, who was annoying pretty much everyone by dancing provocatively in the garden while pretending to dry hump a chair.

£30k benefit fatty's girl is secret porn star

By NEIL GOODWIN
neil@sundaysport.co.uk

YOU'LL BE signing-on, and knocking one out, as we unveil Britain's BUSTIEST benefits babe!

Obese Janice Manzur and daughter Amber sparked outrage last week after claiming to be too FAT to work, while also raking-in £30,000-a-year in state hand-outs.

But one member of the Manzur family IS happy to put a shift in – Janice's eldest daughter Jade.

And the 26-year-old is making a comfortable living after launching a career as a NUDE model and soft-core fetish porn star.

And one thing's for sure, everything's BIG in the Manzur household – not least Jade's palm-stretching 36G BOOBS!

Jade moonlights as 'Shiva Shaw', and says on her website: "I am a mixed race British Indian girl who happens to have huge breasts and a very naughty nature.

SAUCY PHOTOS: Jade likes to dress up and pose for the camera

EKERS ICE!

MASSIVE BOOBS: Jade (*right*) says she is quite different from her mum Janice and sister Amber (*below*)

"I love dressing up in sexy little outfits that show of my large assets – I was blessed with naturally large breasts, 36G if I'm exact, which is quite unusual for Indian girls.

"I'm not your average Indian girl either – I have real curves and love to flaunt them.

"I decided that being proper wasn't for me and instead, I broke away from the norm and decided that my naughty side just had to come out!"

Jade, from Dunfermline, says she's NOT like her mum, 44, and sister Amber, adding: "They both do their thing where they are and I do my thing where I am."

Dildo

And Jade's "thing" is to charge punters £17-a-month to ogle her naughty photos and vids!

Describing one scene, in which she is playing with herself in a bath, she writes: "When I go in the bath I go for a nice relaxing one – candles, oils, pretty smalls and so on.

"This time however, I jumped in the bath with my favourite silver dildo and started to get a bit carried away!

"I had been feeling horny all day and had to stop myself from going to the toilets at work and relieving myself.

"I waited until I got home and jumped in the bath."

Janice and Amber weigh a combined 43 stone and ride around on mobility scooters, and Janice defends her lardiness by saying: "We can't help it, so why bother fighting it?"

And the Oscar for best CAMEL TOE goes to...

REESE WITHERSPOON

HOW did gorgeous Reese Witherspoon celebrate getting her second Best Actress Oscar nomination?

She went out for a stroll in a pair of leggings that clearly showed where the axe fell.

The 38-year-old star – who on Thursday made the Oscar shortlist for her portrayal of Cheryl Strayed in *Wild* – was chatting on her mobile phone unaware her skintight pants displayed her slot.

One onlooker said: "Hell, if only I could lip read!

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

THE words I never, EVER thought I'd say – I like Katie Hopkins!

No really, she's brilliant TV isn't she? And to be honest, she's been fairly cool headed in the *Celebrity Big Brother* house. So far...

THIS is the best series I've watched. The majority of the housemates are absolutely warped!!

I think there's only my mates Calum and Michelle who are sane. That's because they're being themselves.

Michelle's feisty but only when she needs to be, she won't just get involved in other people's stupid arguments unlike the way Nadia does. Calum is just a cool guy, he's had his troubles but I've been friends with him for three years now and he's so genuine. I think he will win.

Cheggers is all right too, but I still can't forgive him for ruining many a night's sleep after I caught a glimpse of him with his walnut whip dick hanging out. It looked like Deirdre Barlow's neck!

I'M livid that those two annoying, self-absorbed yanks didn't face eviction this week. Gummy Bear, Cami Li and that Piggy Perez became King and Queen, which meant they escaped eviction for a week.

Another week of listening to their PATHETIC arguments in order to gain camera time. Why is Cami Li so bothered about poor Alicia's fake bum?

And why was she *soooo* bothered about her hiding bananas?! Jealous because Cami has a bum like a rounders bat? With a face to match.

I FEEL sorry for Alicia. Firstly because she's spent over £1million to look like Barbie but instead looks like Jackie Stallone's body double.

Secondly because she's just gonna be bullied her entire life, she's so flimsy. She's got no balls, which surprises me considering the amount she's had in her mouth.

Speaking of faces, anyone noticed Chloe looks exactly the same as that little weird doll thing that rides a bike in the Saw films?

IN other celebrity news, Coleen Nolan made a shock announcement that she has listened to a recording of her son having sex and was "dead impressed".

The *Loose Women* star told her fellow trouts that she heard Shane Junior having a bit, after he left her a voicemail by accident.

She confessed she listened to the entire FOUR minutes. Do these women have NO shame??

A nip down memory lane!

By JOHN FITZPATRICK

SIZZLING Dee Ivens isn't your typical Essex girl – the stunna was once voted the "prettiest and wittiest" glamour babe in Britain!

Exploding on to the scene in 1986, Ivens wowed tabloid fans by happily displaying her cracking 34C boobs.

With a sparkling personality and stunning looks, it wasn't long before she was snapped up by telly bosses.

She appeared on lads channel Men and Motors as well as spicing up Playboy TV's *Night Calls*.

Stunning Dee even appeared on the *Weakest Link Page Three Special* – where fans were wowed by her general knowledge, despite her failing to win the prize.

Dee, now 43, remembers her modelling days fondly.

She recalled: "A lot of my friends were models and we hung out in all the fashionable places at the time – the Epping Forest Country Club, Stringfellows and Tramps.

Curvy

"I travelled all over the world and had an amazing career."

The late 90s saw a dip in the star's fame as she focussed on becoming a personal trainer.

But in 1996, the beauty decided to give her career an injection, boosting her breasts up to a curvy 34D.

She said at the time: "My new boobs make me feel like a new woman and have given my career a lift.

"I decided I didn't want to live without boobs.

"Now I feel more womanly, sexier. What's more, my work was had a real lift. No-one wants a model without good boobs."

Dee met comedian Terry Alderton during an appearance on *The Ian Wright Show*, quickly falling in love.

In 2001 the pair got married in Epping Forest, but not before footy-mad Terry postponed their wedding so he could watch an England World Cup game.

Now living happily in Chigwell, Dee works as a full time fitness guru.

Shop upskirt mirror perv is locked up

A PERV accountant has been jailed for using a mirror to peer up the skirts of Christmas shoppers.

Serial offender Barry Dyson, 39, was sent to prison for 16 weeks and given an indefinite Criminal Behaviour Order at Manchester magistrates court.

Dyson, of Horwich, Bolton, was also banned from carrying mirrors in public.

Dyson, who admitted outraging public decency, had twice previously appeared before the courts for similar offences.

Dyson hid the mirror in his rucksack and took it out to prey on women as they shopped in Harvey Nichols' Manchester store on November 30.

When Dyson, who has lost his job as a result of the case, was caught he told security staff he had gone in to "peek up women's skirts" and confessed to police he did it for sexual gratification.

Silent Witness pathologist Emilia Fox's naked sex romp

PASS THE RUBBER GLOVES: Babe in BBC show

By SIMON DEAN
simon@sundaysport.co.uk

FANS of top TV drama *Silent Witness* have faced disappointment with the new series.

The once gripping show has descended into a lame version of Yank hit *CSI*.

Over-the-top plots, juddering dialogue and actors who always look bewildered – if *Silent Witness* was declared a spoof, you'd believe it.

But there is one reason to bear with the show – and that is the gorgeous Emilia Fox, of Gordon's Gin advert fame.

Playing pathologist Nikki Alexander with just a hint of "what am I doing in this shit?" in her eyes, 40-year-old Emilia is a glittering gem in a puddle of shite.

Explicit

And she was even more brilliant in this 2008 BBC4 adaptation called *Consuming Passion*.

Emilia gets down to a VERY explicit scene with O. T. Fagbenle.

One fan said: "I nearly pulled the f**king end off!"

Is this the Yeti?

A GROUP of hikers claim to have captured the best footage of a YETI ever seen.

The adventurers set off in search of the mythical beast in snowy mountains near Adygeysk, Russia, following a wave of recent sightings.

And they not only tracked-down the "hairy bear-sized humanoid", but shot a film showing him running through trees.

Eyewitness Ludmila Hristoforova, who spoke to a local TV station, said: "The creature was big, looking like a bear, but not a bear.

"From the door of our cabin we've seen something big and shaggy."

Footprints

Another homeowner, Andrei Kazarian, said: "I heard footsteps and we were pretty sure there was no-one else around because we knew for sure everyone else was inside the house. Although we didn't see anyone, we saw its huge footprints.

"They were five to six centimetres deep and couldn't come from a human foot.

"We took a plaster cast of them and we estimate that it probably would have taken about 200 kilos to press the snow down that much."

Some sceptics, though, are not convinced, saying the "sighting" good be a stunt to try and pull in more tourists.

LEAH WHEELY LOVES OUTDOOR ACTION!

IF you're in the countryside look out for Leah Francis – because she loves sex in the great outdoors!

The busty blonde, who sports a massive pair of impressive 34GG bra-bustin' boobs, is a self-confessed exhibitionist who loves bonking – especially when there's a risk of getting caught!

Kinky

But the Southampton stunna, 25, is equally adept at spicing things up in the privacy of her bedroom, often with the aid of her extensive collection of kinky SEX TOYS and outfits.

This week's *Sunday Sport* Cover Girl told us: "Who doesn't love getting all naked in the great outdoors?

"I love the thrill of feeling the wind cascade all over my naughty bits. It's the wildest thing ever!"

Dinner lady 'served sex to lad, 15'

A SCHOOL dinner lady has been sacked after serving up helpings of SEX to a 15-year-old FUGITIVE.

Jennifer Gillock (*above*), 37, is said to have romped with the lad while harbouring him when he was on the run from the law.

He was caught in his pyjama bottoms on her ROOF after his probation officer and a cop searched her flat following a tip-off.

Gillock, wearing only a housecoat with nothing underneath, claimed he was not staying with her.

But the officers, who found a porn flick set to play on her bedroom TV, spotted the boy crawling through her window as they left.

He then reappeared on the roof – and was later found to have several SEXUALLY TRANSMITTED DISEASES.

Gillock admitted shagging him and giving him a blow job, said police in Miles City, Montana.

She is out on bail charged with sexual intercourse without consent.

Phone filming perv shopped

A VOYEUR was caught using his phone to record women in changing rooms as well as filming up skirts in Tesco.

Daniel Crook, 28, was in the changing rooms of a New Look store when a female in a different cubicle spotted him filming her.

Crook, from Wickham, Hants, was arrested and a police search of his computer revealed he had also used his phone to film under females' skirts at a Tesco in Fareham.

Crook admitted two counts of voyeurism and two counts of outraging public decency at Fareham Magistrates' Court.

He was sentenced to a three-year community order and told to pay £85 costs and a victim surcharge of £60.

He will be listed on the Sex Offenders' Register for five years.

Tipplers plan Million Tramp March in support of their favourite beer

ALL CHANGE: Maker's plan to reduce size of cans has been greeted with great fury says Angus (*above*)

BRITAIN'S street drinking community has threatened a "Million Tramp March" in protest at moves to WATER DOWN Carlsberg Special Brew.

The 9% proof lager – known as "tramp juice" – is set to get a makeover to comply with new guidelines designed to stamp out anti-social behaviour.

Carlsberg has signed up to the Government's "responsibility deal" pledge to stop selling any carbonated product containing more than four units of alcohol in a single-serve can.

Options being considered by the brewer include reformulation to a weaker alcohol by volume level – or changes to the product size.

But the proposals have met with dismay among dipsomaniacs.

"Shouty" Angus McCafferty, of Blackpool, Lancs, yelped: "This is a flagrant and outrageous assault in the civil liberties of responsible – ZEPPELIN – drinkers.

"The lords and MPs sip 20% port in their taxpayer-subsidised – YARDARM – bars at the Palace of – VA-VA-VOOM – Westminster yet think that a drink at only half that strength is 'anti-social'.

"The hypocrisy of these people is – WOMBAT – staggering."

Fans of Special Brew plan their million-strong protest in "either London or Glasgow, though possibly Blackpool" in "April, or something."

Special Brew is currently available in 550ml cans, which are in breach of a voluntary pledge to stop selling any carbonated product containing more than four units of alcohol in a single-serve can.

By BARNEY SAMUELS
news@sundaysport.co.uk

Pledge

The Skol Super brand – also owned by Carlsberg – is only sold in 500ml cans that also breach the pledge, which the brewing giant has promised to honour by the autumn.

The responsibility deal was created between the drinks industry and the government and is considered a compromise to avoid tougher alcohol laws.

Health Secretary Jeremy Hunt has said it will help take one billion units of alcohol out of the market in the coming years.

Carlsberg UK corporate affairs director Bruce Ray told *The Grocer* mag: "We recognise the important role packaging can play alongside other factors in creating a responsible drinking environment.

"We will be reviewing our portfolio and withdrawing any single-serve cans containing over four units of alcohol during 2015."

BRITAIN'S SWEARIEST COLUMNIST

HOLY SH*T!

IT'S Sunday, a day for quiet reflection and prayer. And who better to spend it with than Britain's first – and only – Tourette's vicar, the Reverend Edward Regis?

Despite being born with Tourette's – a condition that forces the cleric to swear – Rev Eddie fulfilled his dream of becoming a minister.

He's a man with a lot to say about what is happening in the world, despite his affliction. And *Sunday Sport* has made a vow to publish his Godly views – UNCENSORED and UNCUT!

Stuff Miley – *tugger!* – Pope's one of us

I WAS going to write about Miley Cyrus this week – *fittie girl-bob!*

But then, I thought – *grumble!* – that is exactly what she wants, isn't it?

Silver-pipe! Pot-pussy! Tugger!

And let's be frank – *jugs!* – she's already had far too much written about her.

Mucks! Foob! Sex-salami! Al-fresco!

So instead I am going to talk about a chap, who I don't always agree with.

Axe-wound!

Even though, he is dead into God – just like me.

Basque! Philly cheese steak!

Let's talk about the Pope.

Grannie-jazz!

Now I am C of E through and through.

Vi-jizzle! Pervy clump handles!

Very much a British vicar for British people.

Botty-burps! Hot flangers!

But I read the other day that Pope Francis said that – *peckers!* – if anyone was rude to his mother – *pubes!* – he'd give them a punch!

Zitty spunks!

Now we can relate to that, eh readers?

Barry-licker!

So fair play to Francis for telling it how it is. Speaking our language.

*F**k! W*nk! Bulging bellends!*

And proving us holy chaps are people too.

*Dirty f**kballoons!*

Forgiveness is all well and good but don't slag off our mums!

MILF-bait!

Toilet artist is – *shite!* – shite

I WAS surfing the worldwide web the other day.

Pornosack!

And I happened across some quite astonishing things.

Double dildo!

But nothing – gimpfisting jizz-dwarf! – *quite as wacky as one particular website.*

The site is about an artist – tampons! – *who paints portraits of world leaders.*

Lizard fellatio!

Rectals!

But they're portraits – cumstain! – *with a difference.*

Cock-glove! Spiv!

Because the likes of U.S. president Barack Obama, Germany's Angela Merkel, and even Her Majesty the Queen are painted on the TOILET.

Shite! Thunderbox!

Why on Earth would anyone want that on their wall?

Brown-throne!

Sign up to – *sodbags!* end torture

NOW us vicars are sometimes accused of being a bit preachy.

Gashmark! F**knuts!

But forgive me if I – *spamfork!* – get on my high horse.

C**tles! Sodbags! Arse-weevil!

I know the difference – *dogballs!* – between right and wrong.

Waggers!

And one thing that is very wrong – *bastards!* – is giving someone 1,000 lashes and 10 years' prison for writing on a website.

Pantie burp-wank!

No matter what it is they say.

Titjobbies!

But that's what Saudi Arabia are doing – *twats!* – 50 lashes a week to journalist Raif Badawi (*above*).

F**king arsebiters!

So do a vicar a favour, and sign a petition against this sick torture.

F**ked-up!

Belgian – *buttbleed* – surprise

A LOT of people seem to think Belgium is a boring country.

Biscuit-gobble!

But earlier this week Belgian police shot dead – *ginge-juice!* – two suspected terrorists in a raid.

Helmet-sucking fuddo! Saggy-dug!

It just goes to show – *cockscrew!* – don't believe everything you hear.

Cloddy! Butt-bleed!

People can always surprise you – *norks!*

GEMMA VOTED 'BEST SOAPY BOOBS IN BRITAIN'

WEB WONDER: Juicy Gemma shows off the curves that make her an internet smash

By NEIL GOODWIN
neil@sundaysport.co.uk

EX-*HOLLYOAKS* hottie Gemma Merna has been voted the HOTTEST soap babe on the internet.

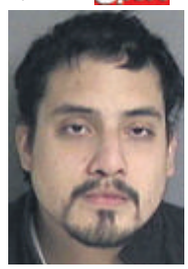
She was a hit in last year's ITV show *Splash!* – and has proved an even bigger splash on the world wide web.

Computer nerds from all over the globe, including from places where *Hollyoaks* has never been screened, voted Gemma their dream babe.

A spokesman for website *nethotbabes.com* said: "Your English Gemma Merna is lovely lady, yes? We like her in Moldova. I run good clean website – no rip-off credit cards. Honest, yes?"

Gemma was spotted out on the town in Dubai last week with husband Ian Minton and former soap co-star Jennifer Metcalfe.

So here's a collection of seriously sexy snaps to keep you going until Gemma's next sexy shoot.



W*nker's arrested for public tug

A 22-YEAR OLD man is facing indecent exposure charges after he was caught masturbating in the shared area of an apartment complex.

A woman called police in the early hours of last Saturday to say she was walking her dog when she saw the man pleasuring himself at the apartments in Pleasanton, California.

The woman says she turned around and went back to her flat, but not before seeing the man with his pants down masturbating in her direction.

Cops showed up but drew a blank.

Next day officers returned to the complex to look for more witnesses, when they saw 22-year old Brian Barron wearing the same clothes as the victim had described.

They say Barron denied involvement but couldn't explain why his zipper was down.

The victim then reportedly identified him and police made the arrest.

COUPLE'S 'PORN PICS IN PARK'

A COUPLE used a children's play park to take pornographic pictures of themselves in broad daylight, it has been claimed.

Parents reported seeing a man taking snaps of a woman on all-fours under the climbing frame in the play area (*right*).

The sighting has also prompted other residents to report a similar incident nearby, under the M5 motorway bridge.

The first incident, at the end of Richmond Terrace in Avonmouth, has been reported to the police through the local force Facebook page.

Claire Hayes, 47, who lives with her 10-year-old son opposite the park, caught the couple engaged in the alleged photoshoot on Sunday January 11.

She said: "It was just after 3pm and my daughter and granddaughter and I opened the door to go out and I saw this couple.

"She was on all-fours. He was stood on the ground behind her taking photos. We shouted and they said 'OK we're going'."

However, police said they had not recorded the incident as a crime as they had only been notified through Facebook.

GEORGE Osborne gleefully announced this week that the rate of inflation had fallen to just 0.5 per cent. Sadly, I'm no economist so I'm not totally sure what that means.

What I do know though is that there's nothing I'd love more than to strap Osborne to a bed of nails and pump air up his arsehole until he burst.

How's THAT for inflation, you fat, posh ct?**

IT looks like another cat café is due to open, this time in Newcastle, following the success of the one in London.

In case you're unaware, it's a café filled with moggies that wander around the place for customers to stroke.

Why not just save money and effort by getting rid of the cats and shoving a handful of fleas down customers' pants the minute they walk in the door instead?

Then serve them a cheese toastie filled with ringworms – seems like the same thing to me.

IT'S definitely winter then – parts of Britain have been coated in snow this week.

Fk snow! F**k it in the eye! Snow turns to ice and ice leads to death.**

If the council could guarantee me that there would be no snow this winter in exchange for smashing my kneecaps in with a cricket bat, I'd be rolling my trouser legs up faster than you could say 'Frosty the Snowman'.

THE awards season is well underway – in the past week we've had the Golden Globes as well as the nominations for the forthcoming Oscars.

Just what we need in these times of poverty and despair – seeing a bunch of pampered f**knuts who dress up and pretend for a living going to parties and being given presents.

Have you seen the f**king state of Eddie Redmayne (*right*)? Can you imagine him doing a proper job, like trying to operate a lathe?

He'd be crying his poncey little eyes out in under a minute.

Builder sneaks vile swearword in Alan's drive

ANGRY Alan Perkins was DRIVE-n mad by a cheeky rogue trader who spelled out a vile swearword in block paving at the front of his house.

By SIMON DEAN
simon@sundaysport.co.uk

Alan paid £3,000 CASH to the wandering artisan for the smart brick paving.

The heating engineer was pleased as punch with the job – until he gave the drive a once-over with his Karcher pressure washer and the crude word became clear.

Alan, of Toft, Cheshire, raged: "To be honest, I was expecting the job to be a bit ragged round the edges for the price but it's quite good.

"The blocks are all laid perfectly, the kerbs are level – it's only the ruddy great 'C**T' that spoils it.

"When it was first done I said to the bloke 'that's a smashing job'. I gave him the balance of the money – I'd already paid a deposit – and he was on his way.

"It was only when I washed the drive down that the awful truth emerged. In effect, my front drive is an obscene publication."

Alan admitted that he did not get any paperwork for his drive as it was a "cash in hand job".

He said: "I have no idea why he did this, apart from pure devilment.

"Block paving indeed!"

LISTENERS' PORN ROMP COMP

A RADIO station is running a contest where the winner gets to BONK three stunning PORN stars!

Rock WYYX, based in Panama City, announced the competition last week, and the winner is due to be picked on Valentine's Day.

A spokesman for the station said: "WYYX has teamed up with *www.fkafan.com* to make this a reality for one lucky listener.**

"The owner of the website will fly into Panama City and pick from our top five applicants on the Stroke Radio Show for our special Valentines Day Show.

"The winner will be on the website's live webcam on April 19, with three porn actresses – Jennifer White, Sara Jae and Layla Price (*right*).

"We are excited to make dreams come true. Who Wants to be a Porn Star has already created a buzz in the community.

"The winner will be health screened and must prove he or she is clean."

Last night one radio fan beamed: "Blimey! Shagging in a radio studio?! Radio One was never like this when I was a kid. Er, on second thoughts…yes it was a bit, wasn't it?"

Father and daughter, 18, set to marry after romps

AN 18-year-old woman has told how she's about to marry… her biological FATHER, after they began 'dating' two years ago.

The unnamed teen has been quoted in a stomach-churning interview with New York-based magazine *Science of Us*.

And the related pair even plan to move to an American state where INCEST is still legal.

The daughter says she was estranged from her dad for 12 years, but they met up when she was 16 –before having SEX that very week!

She says: "There's a reason I lost my virginity to him, because I'd never felt comfortable with any other man. It was insanely sensual.

"It lasted for about an hour and there was a lot of foreplay. We both had orgasms.

"We are so similar, so it's so easy to sexually please each other. I've never been in a more passionate, loving, fulfilling situation.

"We plan to move to New Jersey where we can be safe under the law, since adult incest isn't illegal there."

CULTURE TUG

TAREEM Burgess, 32, was arrested after being caught wanking in the yoghurt aisle of a Wal-Mart store in Hephzibah, Georgia.

The fault in her BRAS!

MOVIE BABE SHAILENE ISN'T WEARING ONE

SHE starred as a teenage cancer sufferer in last year's weepy movie *The Fault in her Stars*.

But 23-year-old actress Shailene Woodley also had us crying happy willy tears when she went NAKED for college teen exploration flick *White Bird in a Blizzard*.

In the latter, Shailene is seen fully naked with erect nipples while an equally nude, older man romps with her in bed.

One Hollywood source said: "The films couldn't be further apart from one another – which proves what a versatile actress Shailene really is."

VERSATILE: Shailene went boobs out in movie *White Bird in a Blizzard*

VANILLA CREAM SECRET OF TELLY TABOO BUM SCENE

WAITER! THERE'S A BUMHOLE IN MY CREAM: The racy scene from Girls

VIEWERS were left spluttering last week after Sky Atlantic aired the RUDEST sequence ever seen on British TV – showing actress Allison Williams being RIMMED!

Censors will be seeing their ARSES after the taboo bumhole-licking in US drama *Girls*.

Williams, who plays Marnie Michaels on the show, could be seen bent over a sink while a fella tongued her ringpiece.

And she even smeared vanilla cream in her crack to make the shoot more pleasant for co-star Ebon Moss-Bachrach.

She says: "I grabbed the make-up girl and said, 'I want to smell like a cake,' so we put vanilla cream everywhere so everything smells good."

One fan on Twitter said: "*Girls* Season 4 starting off strong with Marnie getting a rim job in her kitchen hahaha. Yikes!"

Another added: "First rimming on Girls, next Rita fisted on Corrie?"

DEANO ON SUNDAY

LABOUR has come over all tambourine-rattling Salvation Army and has promised to save Britain from the evils of liquor.

The party's shadow health secretary Andy Burnham (*right*) has vowed to ban super-sized bottles of cheap cider and booze sponsorship of sporting events.

This will be the same Labour, presumably, who turned Britain's town centres into Dodge City with their insane all-hours drinking licences.

And let's face it, if Ed Miliband gets his hands on the keys to Downing Street, I reckon the only way many of us will be able to cope is to get absolutely f**king blotto.

I WONDER how you get the gig as BBC apologiser-in-chief. It's a job for life, and certainly very busy.

Ever since it was revealed that the Beeb provided a safe berth for industrial-scale nonce Jimmy Savile, Aunty's been more or less constantly on her knees grovelling for forgiveness.

Recently the BBC apologised for *The Voice* judge Rita Ora showing off a bit of side tit on *The One Show*.

The Beeb posted on the show's Facebook page: "We're sorry to those of you were offended by Rita Ora's choice of outfit on (the) show. If we had been consulted on it we would have requested she wore something more suitable for 7pm."

Please grow a pair, BBC.

The correct response to the empty-life arseholes who complained about Miss Ora's rather lovely display was, is and ever should be: "F**k off!"

Shine a light in Greens' lunacy!

DAVID Cameron refused to take part in a TV debate unless the Green Party were invited to take the stand along with the Tories, Labour, Liberals and UKIP.

Is this because the PM has a soft spot for the Greens – or because he wanted to sabotage the debates on account of being scared of being made to look a ninny at the hands of Nigel Farage?

I think we know the answer to that one, don't we children?

As it happens, I think the Greens *should* be included in the debate, because their madness, incompetence and total unsuitability for public office should get a wider audience.

Britain, so far, has one Green party MP, a bird called Caroline Lucas who doesn't like Page Three girls. Apart from this, and her not being very good on *Have I Got News For You*, I don't know much about her.

RUBBISH: Green MP Lucas and the piles of shit in Brighton

More is known about Green misrule in the sunny city of Brighton.

Voters in Brighton are not as other men, and decided to elect a Green council.

The results have not been encouraging.

The Greens voted in a £50,000 fine for anyone caught putting the "wrong" rubbish in their recycling bins.

The result of this draconian byelaw is that, er, Brighton has one of the worst recycling records of any British council – 302nd out of 326. Car parking charges are the highest outside of London, raking in £25.8million, but still the useless Greens can't balance Brighton's books.

In 2013, the leader Jason Kitcat (yes, really) announced a 4.75 per cent hike in council tax. The same year, Brighton was declared a no-fracking zone (there's no shale under Brighton, by the way).

There's been a proposal to release sheep onto the streets to slow traffic, Mondays were declared meat-free, oh, and you can call yourself Mr, Mrs, Miss, Ms or Mx (?) on forms.

Whenever some half-arsed UKIP councillor for Bigot-on-the-Water drops the word "nignog" into conversation, it makes outraged national headlines.

But UKIP's mirror image on the left, the Greens, waste *real* money, harass *real* people, make life a misery for *real* taxpayers. Where's the outrage?

They've got away with their tripe for too long. Let's hope this TV debate shows them up for the hairy-faced nincompoops they are.

Everybody wants NUDE Neighbours!

SHEILA GET NAKED: Caitlin in the soap

STAR OF AUSSIE SOAP GOES FULL FRONTAL

By NEIL GOODWIN
neil@sundaysport.co.uk

STREWTH! Here's *Neighbours* babe Caitlin Stasey NUDE.

The Aussie Sheila has even showed the world her BUSH, as she proudly displays her didgeri-foo-foo.

Actress Caitlin, famed for playing college girl Rachel Kinski in the Channel 5 soap, uploaded the astonishing pics to a feminist website called Herself.com.

And the 24-year-old says she is determined to showcase the beauty of a woman's body.

She explained: "I want to help demystify the female form and to celebrate the ever changing face of it.

"We consider a woman's sexuality so linked to her physicality that for a woman to appear naked publicly is automatically an act of sex and not for herself."

One fan said: "Fair dinkum, Caitlin, you have got a bonzer minge!"

KELLY SHOWS HER CL-ARSE!

CHEEKY Kelly Brook gave fans a BUM'S rush after uploading a snap of her juicy ARSE to the internet.

The actress and model boasts an exceptionally squeeze-worthy butt.

And the Brit pin-up, 35, had fans reaching for their underpants after showing off her bikini-clad trumper on Instagram.

One admirer gushed: "The ass on that!"

While another drooled: "Man oh man! Love your buns."

Kelly, who appears in new Yank sitcom *One Big Happy*, says she's proud of her derriere, revealing: "I love my bum. It's big enough.

"I like having a big bum, it's comfy to sit on. I don't mind my bum, I don't have to look at it too much. "It's my hips I have to worry about."

WORLD NEWS

AUSTRIA

HUMAN remains found in a cave in the Alps have been identified as those of a skier who went missing 86 years ago.

DNA tests showed the remains were of a 21-year-old man who died alone on the Untersberg mountain near his home in Salzburg in March 1929.

KUWAIT

POLICE arrested three CROSS-DRESSERS as they danced to songs played loudly on their car radio.

The music attracted a traffic patrol who, after checking the occupants' papers, found they were men dressed as woman – a practice that is illegal in the Gulf state.

VENEZUELA

FAST-FOOD lovers are mourning the disappearance of McDonald's French fries.

A potato shortage in the socialist country means the snack has been replaced by SALAD.

SWEDEN

A VIDEO about penises and vaginas from children's show *Bacillakuten* has become a huge hit.

The ditty, designed to reduce shyness about private parts, includes the lines: "Here comes the penis at full pace" and "the vagina is cool, you better believe it – even on an old lady".

ZIMBABWE

A WOMAN has been jailed for six months after pouring boiling water over her 23-year-old lover's privates when he had sex with another girl – in front of her.

Sihle Moyo, 19, of Bulilima, had gone to Englum Nyoni's house – but he made her sleep in the floor while he romped with his new partner on the bed.

USA

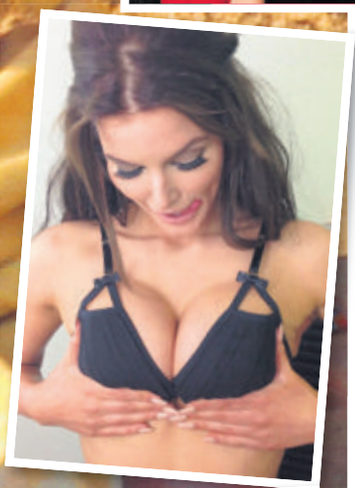
A FIVE-FOOT python slithered out of a PR firm's toilet in San Diego, California, as a worker tried to shift a blockage with a plunger.

Stephanie Lacsa noticed the water level in the pan was very high and "screamed the place down" when the snake popped out.

AS FORMER STAR ANNOUNCES SHE'S QUITTING MODELLING...

CORRIE ON STRIPPING, HELEN!

GREAT SCOTT: Helen's up the duff by footie ace



By SIMON DEAN simon@sundaysport.co.uk

HAS the shock sunk in yet?

Last week stunna Helen Flanagan announced she was sensationally QUITTING posing for raunchy lingerie photoshoots.

The former *Coronation Street* actress, 24, has been wowing admirers with her bouncy curves ever since leaving the ITV soap in 2012.

But, as our sister publication *Weekend Sport* reported on Friday the small-screen babe is currently pregnant with her first child, and says being a mum will force her to hang up her undies.

Helen, who has been knocked-up by footballer Scott Sinclair, admitted: "I obviously wouldn't want to model while I'm pregnant. I might do tasteful shots when I'm a mum, but not lingerie modelling like I have done in the past."

Here at *Sunday Sport* we're poleaxed by the news and want fans of Helen – our cover girl on countless occasions – to change her mind.

If you want to encourage Helen to carry on stripping, you can tweet her *@helenflanagan1*

Having sex with chocolate bars is a strange way to make a living...but it beats my old job at TESCO

SUNDAY Sport REAL LIFE

By SIMON DEAN
simon@sundaysport.co.uk

GORGEOUS brunette Jessica Varley wiggles half of a Bounty bar into her sopping hole while skilfully slipping a finger of Fudge into her tight bum – at the same time.

Panting deeply, she judders to a sweaty orgasm and collapses in a heap with melting confections dribbling from both holes.

She then looks up, smiles... and a hairy-arsed director from Bolton called Mike Hattersley yells, "CUT!"

Welcome to the sweet, sweet world of food sex videos where a pretty 24-year-old like Jessica can make £10,000 a year from just half a day's work each week.

Hard

The single beauty, from Hayfield, Derbys, said: "I used to work part time in Tescos, which wasn't bad most of the time, to be fair.

"But you have to deal with grumpy shoppers who sometimes smell of piss and that and, to be honest, it was all too much like hard work.

"Doing this stuff, with the chocolate bars, I can make the same amount of money as when I was working at the supermarket in a fraction of the time.

"As well as this, I do live modelling for camera clubs and I also do a few shoots for some of the top-shelf magazines.

"But the solo masturbation scene – I specialise in frigging myself with chocolate bars – is my bread and butter."

Jessica got into her unusual career after an ex-boyfriend sent some photos of her to a top shelf readers' wives-style mag.

She explained: "The magazine wrote back to us and asked me to do a proper shoot with them. They invited me along to their photo studios – it was dead swanky, like.

"And after I did that, the offers of work just started rolling in.

"Soon after, I was contacted by a bloke from Glossop – just down the road from me, as it happens – who asked if I'd like to go a bit 'further' and do some 'insertion' work.

"I explained that I wasn't up for boy-girl – or even any of that lesbian porn stuff, where another lass licks your muff and then shoves a big plastic cock up your arse.

"But he put my mind at rest and explained it was just a bit of fingering – or 'messing about with Mars bars'.

"So I thought, 'Why not?' I've got a sweet tooth – and I absolutely love chocolate."

When Jessica's movies went online she was an instant hit with punters, who started sending in requests.

Fanny

She giggled: "One wanted me to put a Caramac up my fanny.

"Well, that was a bit more tricky than a Mars bar or a Bounty. But I gave it a go and managed it alright.

"I made £200 from that shoot alone."

As for the future, Jessica is philosophical.

She admitted: "I know that I won't be able to do the chocolate bar thing forever.

"But at the moment it pays my rent and leaves me free to do all the other important things I want out of life.

"People probably think what I do in front of the camera is a funny way to earn a living.

"But I don't really care about other folks' opinions. Life's too bloody short to walk around worried about silly things like that.

"All I do know is that it's better than working in a supermarket."

SELECTION BOX: Jess gets paid the big bucks for sticking choc bars into her front bum

CAPTION CONTEST

WE loved your entries this week, you absolutely FLOORED us.

We were in HI-STAIR-ICS, but only one person can BUGGER off with the cash. This week's winner was **David Jeffs** from Rochdale with: "One job... don't mix up the tubes of lube and superglue...you had ONE job!"

Well done David, a crisp £50 cheque will be winging its way out to you.

And not everyone can win the cash, there were plenty of other top entries;

Phil Chater, Stourbridge: "When you said you wanted to take it to the next level, I didn't think you meant the next bloody step!"

Sam Harrison, Derby: "I hope that's not a bomb in your backpack, because I just felt something explode inside me."

Andy Berry, Lincoln: "I told you it was a mistake to invite Prince Andrew around."

John Deane, Penzance: "This sex is crap. It's just pants!"

Steve O'Connel, Masefield: "Dave, when you told me you were a missionary I thought you meant in Africa or something."

John Winter, Southampton: "I've got room for just one more on top."

Alex Dutton, Ryhl: "Should she let him block her passage or just toss him off?"

John Burman, Canning Town: "Medical students practice for their CPR and anatomy practical exams."

Mr A. R. Hall, Porthcawl: "Well that's the theory of shagging over – let's get em off and do the practical."

Our Caption Contest will be taking a break next week but we'll be back with another great cash contest soon.

Mandy, 38, is a single mother of one and a big fan of text sex. She started swapping texts with her ex husband but, before long, she was getting off with a guy from work and then her brother in law and hen his mate.

She even had an intense text relationship with her best mate Lisa!

AFter he marriage broke up she had a couple of bad experiences with guys and turned to sexting with strangers as a way to enhance her mastubation sessions.

"I've swapped texts with some really nice and horny guys. It doesn't matter what they look like or what they do for a living. All they have to do is talk really dirty to me," she told us.

FAVE FILM: *Les Misérables*
FAVE ACTOR: Eddie Redmayne

FIRST-TIME SEX

JO: Oh, it was bad! It really was awful, clumsy and over quickly.

It was at a house party in somebody's bedroom and we started fumbling and that was that. In a few minutes I had lost my virginity.

ELSA: Mine was short and over in two minutes.

JO: What was short, his willy?

ELSA: That and the sex. After the first time he couldn't get another erection so we couldn't even do it again.

I lost my virginity during a school lunch break.

JO: I can't believe you nipped home to lose your virginity between lessons!

BEST SEX

JO: It was on holiday in Cyprus. I was on the beach with my boyfriend. We were walking home and then we were at it.

The sex was frantic and I got a real rush from having sex outside. I find the thought you can be caught at any moment a big turn-on.

ELSA: Were you seen?

JO: Yes, but that made it more fun. People were strolling down the beach but it was at night and they just left us to it. We were quite well hidden, though.

ELSA: Mine was on my 21st birthday. I came home from town and my boyfriend had put rose petals on the bed.

He had also taken Viagra, which made it very memorable. He lasted all night and he just kept on going and going. I would recommend Viagra to anyone – I had one orgasm after another.

FAVOURITE POSITION

ELSA: I like the wheelbarrow because it is deeper and I can exercise at the same time. Having sex in that position is a good workout. There's no need to go to the gym!

JO: There's simply no better position than doggy-style. It gives the deepest penetration and it's comfortable. And I like it in front of a mirror so you can see what's going on.

ELSA: You like watching yourself?

JO: No, him. I like watching him in action.

FANTASIES

JO: My fantasy is to have sex on the bonnet of a really nice car.

ELSA: A Lamborghini?

JO: Maybe on a country lane during the day.

JO: Would you like to do the spanking or receive?

ELSA: Receiving because I would get more fun out of it.

WILLY SIZE

ELSA: I think it matters.

JO: And me.

ELSA: But not length, just girth. You don't want something that is long and thin because it will look like a bony finger and it would just poke you.

JO: I would rather have a short fat one rather than long and thin.

ELSA: Girth is the most important thing. Big and a good girth is a bonus if you can find both.

JO: What do you think to seven inches?

ELSA: I think I'd want another two inches.

OH-NO MOMENTS

ELSA: I have slipped off the bed.

JO: While having sex?

ELSA: I was doing it doggy-style and my hands slipped off the bed.

JO: What did you do?

ELSA: I just laughed it off. We couldn't continue sex because I was in hysterics.

JO: I have fallen asleep. It was after too much Jack Daniels. I didn't wake up until the next day and remembered that I must have fallen asleep.

JO: I like it when I have been texting him sexy messages during the day. It builds up the suspense until we have sex.

ELSA: And when you open the door he is there wearing nothing but a bow tie!?

JO: Ha! I like to use texting as foreplay.

SPIT OR SWALLOW?

JO: I swallow. It's clean and rude not to. There are about 500 calories in each portion. I know one girl who stopped swallowing because of it.

ELSA: It's not so much the calories but generally speaking I spit unless there is nowhere to. I don't care if it is rude, if they are putting something that horrible in my mouth it is coming straight back out!

JO: I don't think it is, though.

ELSA: If I was absolutely hammered I would just go with the flow.

Mind you, it would have to be with two girls. I couldn't do it with two lads, that would be weird. Two guys facing each other chatting and high-fiving while one gives it to you from behind nad you can't say anything because you've got the other guy's cock in your mouth.

JO: I would if it was spontaneous, and with two people I had never met so I wouldn't have to see them again.

BUM FUN

JO: I have tried it but don't like it. I found it too painful.

ELSA: I have never done it and probably never would.

JO: I would probably try it again in the heat of the moment, but I would never plan to do it. That said, I recommend you always carry lube with you.

"You'd eat it for breakfast, lunch, dinner...and supper!"

ELSA: I would like to have sex in the rain in a public place but I would have to be careful that no one caught us.

JO: Why in the rain?

ELSA: It adds to the excitement. Having dripping wet hair and having his hands running through it is a big turn-on.

I would also like to dress up and have a bit of bondage. Maybe in a bit of PVC or leather pants.

ELSA: Had he gone?

JO: Yes, but fortunately I didn't have to see him again.

BEST TURN-ONS

ELSA: I love watching porn and then recreating it. Girls are not supposed to like porn but I do. Some girls are ashamed of admitting it but I'm not.

ELSA: You'd eat it for breakfast, lunch and dinner, and have one more for supper to fill you up!

THREESOMES

ELSA: It would depend on the situation.

JO: I wouldn't if it was planned.

NOW TALK TO 'EM LIVE!

YOU CAN BE NAUGHTY BUT PLEASE BE NICE! REMEMBER, THESE ARE REAL GIRLS!

FIRST TIME TOPLE

AIDRA FOX

By JUSTIN DUNN
justin@sundaysport.co.uk

STRIPPING off in front of strangers might be daunting for some people – but not Aidra Fox.

Our snapper had barely taken off his lens cap before Aidra, 24, was tugging her top off and shoving down her tiny mini skirt.

Aidra, 24, from Wakefield, said: "I've always wanted to be photographed in an erotic way.

"It didn't bother me in the slightest taking my bra off and, to be quite honest, I'd have liked to have taken it a lot further.

"Next time I will happily do some American-strength held-open shots – just the thought of it makes me excited!

"Girls, if you haven't had a naked photo-shoot, do it – it's amazing!"

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week Hannah has been reading your letters. Here's her advice...

Dear Hannah...

MY daughter's mate is a real cracker. She's 21, blonde and has a brilliant body.

I'd wanted to do her since she was 18, but managed to resist temptation because I'm married and I knew it would devastate my daughter if she found out.

But a few weeks ago her pal made it clear that she was up for it and I knobbed her in my car.

I parked up in a country lane. She unzipped my pants and took my throbbing love python out.

She then started to suck me off. She was an expert at oral and had soon extracted my man muck.

I then took off her wet knickers and sampled her pussy.

She got on to all fours and I took her doggy-style on the back seat.

There was spunk and pussy juice everywhere!

Bum

It was brilliant getting my knob in a lovely wet fanny.

My wife is a bit dry below now, so it was a real treat.

I've seen this girl a few times since and the sex gets better.

She even loves it up the bum, something the wife never lets me do.

The only problem is that I think my daughter suspects we are having affair.

Do you think I should end it before she finds out?

HR, Lancaster

Hannah says...

YES. If your affair is discovered it could destroy your family.

Ginger minge has given me the cock block

Dear Hannah...

A NEW girl has just started at the office where I work.

She's quite shy but has lovely curly red hair and great tits.

I thought I'd try to bring her out of her shell a bit, so I invited her out for a drink after work. We got on well and I was thrilled when she later agreed to come back to my place.

She soon lost her shyness and was onto me, thrusting her hot tongue in my mouth. I immediately went for her giant tits and her nipples were like cherry stones as I tweaked them and sucked them.

Squealing

After a while she grabbed my head and pushed it down between her long legs as she pulled her skirt up to reveal the moist triangle in her panties.

I eased them aside and took a deep breath of her musty scent and probed her ginger lips with my tongue.

Within minutes she was squealing in the throes of passion which ended in a crescendo of orgasm.

She was quite wobbly on her legs after that and she sank to her knees, taking my stiff dick between her lips. Her oral was out of this world!

Letter of the day

She tore off my clothes and spread her thighs wide so I could slide easily deep into her sopping fanny.

After a few minutes of humping she flipped me over and eased herself down on my throbbing tool.

She expertly rode me, making me explode in ecstasy.

The only drawback is that now I think I've fallen in love with her.

But she's told me that she can't see me any more because she's getting married soon.

What can I do about it?

AP, Kent

Hannah says...

CALM down – you seriously need to get real. You've only seen her once, you great big baby.

Dear Hannah...

MY girlfriend has the most magnificent melons which make our sex life a delight.

I can bring myself to orgasm just my stroking her awesome orbs.

They are truly a wonder of the modern world!

My girl is not offended when I close my eyes and imagine that I'm fondling a big-breasted *Sunday Sport* babe.

Best of all is a tit-wank.

As I slide my nine-incher up and down my girl's cleavage I imagine myself shagging one of your gorgeous girls, who are everything a young red-blooded fella could wish for with their killer curves.

Do you think there is any harm in this?

IG, Essex

Hannah says...

IT'S fine as long as your girl doesn't mind. Just make sure you don't moan the wrong name as you climax between your girl's norks.

Dear Hannah...

I AM 18 and have developed an embarrassing problem with my dick.

I love wanking and have at least four tugs a day, but my willy has taken on an alarming bend to the right.

I first noticed it a few months back, but now when I reach orgasm my spunk goes all over the place, and I often miss the loo when I pee.

What should I do?

KY, Dorset

PS: I'm right-handed.

Hannah says...

WANK with your left hand – that should straighten it out. Or maybe stop tugging and get a girlfriend.

UNIVERSITY life for most female students is filled with endless boring lectures, studying for exams with your girlie pals and wanton sexual experiments with predatory lesbians.

Normal, healthy, straight women should be on their guard when making friends with these unkempt, hairy she-devils.

It will most likely bring major distraction and a Desmond (2:2) degree at the very best.

WALL ST TRADER BECOMES PORN STAR

By NEIL GOODWIN neil@sundaysport.co.uk

A TOP stockbroker has told how she's quit her high-flying job... to be a PORN STAR!

Gorgeous brunette Paige A Jennings won an internship at swanky Wall Street firm Lazard Asset Management.

But the pretty 22-year-old got a bollocking from her bosses for posting NAKED selfies, taken in the company toilet, online. And now the stunna has JACKED-IN her career to work in the JERK-OFF jizz biz instead.

The sexy New Yorker revealed: "I just left a job on Wall Street for a porn career because I can't stop masturbating at work and would rather get cum all over my face. Is that cool with you?"

Paige gave her gaffer two weeks' notice, telling him she'd now be known as adult actress Veronica Vain.

She laughed: "It was a little awkward. He obviously couldn't have me coming back to the office when just about everyone had seen me half-naked online."

She's hoping to make her grumble debut in a reality porn series called *The Sex Factor*, due to be filmed next month.

LOVELY ASSETS! Paige is a bongo star

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

KELL OF A COMEBACK

KELL BROOK will complete a miraculous recovery when he makes the first defence of his IBF welterweight title.

He cheated death last year when he was attacked in Tenerife in September, shortly after snatching the world title from Shawn Porter.

Sheffield's Brook admitted he thought he was going to die during the machete attack, but he returns to action at the Motorpoint Arena in his home city on March 21 or 28.

Relieved promoter Eddie Hearn will confirm the date and challenger tomorrow, with Canadian Antonin Decairie fancied to get the nod.

Hearn said: "I can't wait to finally see Kell make that walk at the Motorpoint Arena as world champion.

"Last year was a year of incredible highs and lows and the bravery he has shown to come back from that life-threatening injury has been quite remarkable.

"People doubted Kell before he ripped the world title from Porter in America.

Frustrated

"The fact is that Kell is a special fighter and I believe he will go on to unify the 147lb division."

Brook hopes to land a dream Wembley scrap against Amir Khan in the summer, but his big domestic rival is waiting for the outcome of talks between Manny Pacquiao and Floyd Mayweather Jr before deciding his next move.

If the pair finally agree to fight, Khan would be left in the cold and a clash against Brook seems a natural.

Knife attack Brook finally ready for ring return

But Khan is believed to prefer a match against Tim Bradley or Juan Manuel Marquez.

The Bolton man said: "I'm in a great position – I can go for Bradley or Marquez so I'm OK.

"But that won't be the goal for me. I want the big one that will give the crowd the fight they want to see.

"It's a waiting game at the moment so we'll have to wait and see.

"I'm getting a bit frustrated because I thought I was close to fighting Mayweather last time and he took Maidana instead.

"I've answered all Mayweather has asked of me. I think he'll come back with the answer we all want to hear this week."

HERE'S HOPING: Kell Brook's dream would be a huge Wembley showdown with Amir Khan *(inset)*

DERRY MATHEWS has promised Anthony Crolla first crack if he finally becomes a world champion.

The Scouser gets his big chance against WBA lightweight champ Richar Abril in Liverpool on March 6.

Old rival Crolla had been due to meet Abril two days ago, but pulled out after breaking an ankle and fracturing his skull while trying to nab burglars.

Mathews, 31, stopped Crolla in 2012 and then drew against his Manchester rival in a return.

He said: "If it was up to me, I'd give Anthony Crolla my first defence. I like the lad – he's a good fighter and Liverpool v Manchester would be a massive fight.

"I believe I deserved a shot before Anthony anyway, but now I have to take it one fight at a time."

SURPRISE MOVE: Flintoff will join England training

Fred set for shock World Cup call-up

CRICKET

ANDREW FLINTOFF is heading towards a shock call-up for England's World Cup squad.

The 37-year-old all-rounder has been invited to meet up with the national team during their practise session at the Gabba today.

England are Down Under for the Tri-Series and will take on India on Tuesday.

An ECB spokesman confirmed that Flintoff would be linking up with the squad at nets, a move which is understood to have been instigated by head coach Peter Moores. "Freddie" confirmed his appearance yesterday, saying: "In the nets at the Gabba tomorrow with the English lads.

"I don't know whether I'm a net bowler or what, but I'm going to do some work with them.

"I'll bowl the batsmen back into form!"

The former England captain retired after the triumphant 2009 Ashes but made a Twenty20 comeback last summer and is in Australia having earned a Big Bash contract with Brisbane Heat.

Drills

And it now looks as though Moores is ready to spring a major surprise and hand Flintoff an England return just in time for the World Cup, which starts in Australia and New Zealand next month.

One player who will most likely be there is batsman Gary Ballance, despite breaking a finger last week.

Ballance, who was recalled to the one-day squad as a replacement for dropped former captain Alastair Cook, was struck on the little finger in his right hand during fielding drills in Canberra.

The 25-year-old, who has yet to play since England arrived Down Under, will remain with the side for the ongoing Tri-Series.

And the fact that no replacement has been called up suggests the injury isn't bad enough to keep Ballance out of action for the World Cup.

ROBBO DOWNS ROCKET

SNOOKER

NEIL ROBERTSON continued his superb form at the Masters by hammering defending champion Ronnie O'Sullivan in yesterday's opening semi-final.

Robertson, who produced what he described as one of the best performances of his career in beating Ali Carter 6-1 in the previous round, recorded the same scoreline as O'Sullivan suffered his first semi-final defeat in the competition after 10 successive wins.

"The Rocket " was in trouble as Robertson took the opening frame with a 100 break.

The Aussie potter was 3-0 in front before O'Sullivan made a 101 break to win the fourth.

But the world No.1 responded strongly and reeled off the next three frames.

Hopes high at Leopardstown

OFFICIALS at Leopardstown faced an anxious night ahead of today's meeting, with temperatures set to plunge.

Racing manager Nessa Joyce was forced to call an inspection with the mercury set to dip well below freezing point. But hopes are high that the high-class meeting will go ahead.

She said: "The inspection is purely precautionary. We had no frost and no rain overnight and we're perfectly raceable.

"However, there was frost in Ireland last night and the forecasters are predicting a heavier frost.

"We're very hopeful and confident we'll be fine as we are often helped in these situations by being on the coast, but I think we should have a look just to check everything is fine in the morning.

"It's an excellent card with the two big handicaps and there is plenty of interest as Vautour looks to get his season back on track."

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

Take it as Red – real football fans have had enough

LAST week the Manchester United fanzine *Red Issue* decided to call it a day.

Was the reason falling sales? Increased production costs? Killed off by the internet?

Nope, none of that.

The editors penned their final tome after 26 years of publishing because, in their own words: "We can't stand the stench of modern football any longer."

They go on: "Football now is happy-clappy families, half-and-half scarves, tourists and selfie sticks. There's no point trying to fight that."

Tragic, but true.

It flies in the face of how most perceive the average Manchester United fan, revealing that the true supporters of the club are just as fed up with them as everyone else, but have been hidden behind the MUFC brand over the years.

Now they have finally admitted defeat.

I suppose trying to rouse the current Old Trafford crowd into some sort of fan-power campaign will be about as fruitful as asking a bunch of Japanese tourists in Trafalgar Square what they think about the congestion charge in the capital.

The really sad thing about this is that it's just one more step on the way to the game being taken away from the real fans.

DYCHE ON THE BRINK OF BEING A PREM LEGEND

I've already decided on my manager of the year for this season.

Sean Dyche's honesty and hard work as a player is still in evidence in his management skills and reflected in the teams he puts out.

Burnley have been on a run which has taken them out of the Premier League relegation zone.

And if Dyche keeps them up, it will have to go down as one of the biggest managerial feats in the history of the Premier League.

TWEET of the week has to be the one from a Millwall fan called "Sticky Mint" following his side's 4-0 hammering at League One Bradford in their FA Cup replay.

It read: "Millwall are interested in Ched Evans. But his agent said: "No, his name has been tarnished enough."

Mac takes no prisoners

PETERBOROUGH owner Darragh MacAnthony's *(below)* 14-point rant following last week's home defeat to Colchester was one of the best things I've seen on Twitter in years.

Surely no fan can complain at their chairman being so outspoken if their team are under-performing so badly?

It named and shamed players, poor refereeing and stay-away fans – and it looks like getting the outspoken owner in hot water with the FA.

So much for freedom of speech eh?

Well I say let's have a bit more of this to stop our over-paid players and piss-poor refs from simply hiding.

In related news, boxing legend Muhammad Ali was admitted to hospital with a urinary tract infection last week.

He's not the first Muslim who finds it painful when having the piss taken.

Arsenal manager Arsene Wenger knows what it's like to have the piss taken out of him on a regular basis.

His stuttering side badly need a win against champions Manchester City today – but I for one don't think they will get one.

Following the signing of Wilfred Bony from Swansea, City's owners have shown they have big plans for the club.

The first item on the agenda is extending the length of the substitutes' bench.

West Ham v Hull

Sunday, 1.30pm – Sky Sports 1

SAM ALLARDYCE insists he has no regrets about his infamous cupping of the ear gesture to West Ham fans.

That happened when Hull came to Upton Park last March.

The Hammers were struggling at the time but managed to see off 10-man Hull to bank three precious points.

And Allardyce was shocked to hear the home fans booing him and his players, because they reckoned it hadn't been entertaining enough.

Pellegrini backing 'rubbish' Mangala to be huge success

MANUEL PELLEGRINI says Eliaquim Mangala has been rubbish at times this season – but urged patience with the £32million centre-back.

Mangala became the most expensive defender in British football history when he joined Man City from Porto last summer.

The France international is set to keep his place for today's clash with Arsenal at the Etihad, despite his inconsistent performances.

But Pellegrini remains convinced the 23-year-old will be a success at the club.

"I agree that he is not doing so well in some games," said Pellegrini.

"The thing that is important is to analyse his performance at the end of the season.

"It is difficult at this moment to decide. He is a young player, I continue trusting a lot in the way that he plays.

"Maybe it was not so easy for him to settle here in the Premier League, but I am absolutely sure he will be a very important player for us in a few years.

"I think he is a very strong centre-back. I repeat, be patient, because he is a very good player."

Pellegrini dismissed the idea that Mangala looked good in the Portuguese league because he was up against weaker players.

"Cristiano Ronaldo *(below)* came from the same league," added Pellegrini. "I think the problem is not the league.

"He is a young player with a lot of experience because he played in the Portuguese league, but he played a lot of Champions League games against important teams.

Manchester City v Arsenal

Sunday, 4pm – Live on Sky Sports 1

Thumping

"I think he is a very strong centre-back."

Nacho Monreal reckons Arsenal can handle City's hotshots.

City have already scored 45 Premier League goals this season, with Sergio Aguero leading the way on 14.

But Monreal is confident Arsenal will avoid a repeat of the 6-3 thumping they suffered at the Etihad last season as City surged to the title.

"Manchester City are one of the most prolific teams in the Premier League," said the Spanish defender.

"They have top strikers. Some of them are really quick and some of them are really good at holding the ball.

"They are really lethal in attack. They have many attacking choices, but we can make goals too.

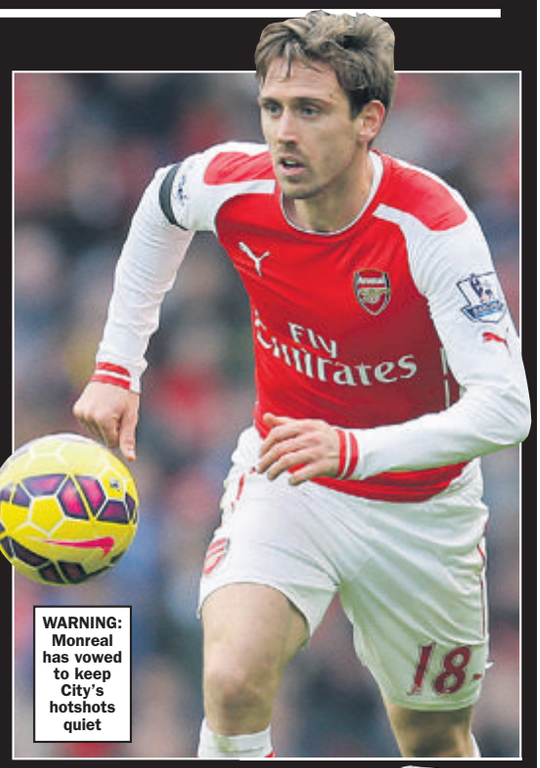
"We have to make the most of our chances and be clinical. If we defend properly, we will have a chance."

Although the Gunners have plenty of ground to make up, Monreal insists the title race is far from over.

He added: "We won't give up and we are not giving up.

"We have to think game by game. We obviously still have a chance and we have to go for it until that chance is gone.

"We are aware that we are far away from Chelsea and Manchester City in the table and neither of them look like they will drop points soon, but we will fight to the end."



WARNING: Monreal has vowed to keep City's hotshots quiet

FORM DIP: Barkley

ROSS CAN BE SMILES BETTER FOR MARTINEZ

Everton v W Brom

Monday, 8pm – Sky Sports 1

EVERTON boss Roberto Martinez reckons Ross Barkley is struggling for form because he CARES about the club too much.

The midfielder's outstanding displays last season won him a place in England's World Cup squad – but he has dipped since.

And Martinez thinks Barkley, 21, needs to relax – starting against West Brom at Goodison Park tomorrow night.

Everton are sliding towards trouble after seven games without a win, but Martinez won't pile the pressure on his star youngster.

"Ross hasn't enjoyed his football. I think he's suffered more than the others because of that," said Martinez.

"Ross is at his best when he plays with a smile. If he's considering every pass before he makes it, that affects his play a little bit.

"He's such a responsible, proper, true Evertonian, he knows how the crowd feel and he probably suffers more than others.

Quality

"But I just want Ross to enjoy his football and leave the pressure to me."

West Brom boss Tony Pulis insists the Toffees are NOT in a fight for survival.

Everton went into the weekend just three points clear of the drop zone in 12th place.

But Pulis said: "I don't see them being in it. They have too much quality in the group.

"Before the season started I looked at the squad and thought it was the strongest Everton squad I've seen in years.

"I do expect them to go out and win their games."

Pulis is wary of the threat posed by Belgium striker Romelu Lukaku, who starred on loan at the Hawthorns two campaigns ago.

The Baggies chief added: "He is a good player and coming back to form.

"The last couple of games he has looked on his toes again."

LOT, SAM'S NOT SORRY

problem with the fans cheering or booing," said Big Sam.

"It is part of the game, part of what you have to accept, part of a life today that's ever more demanding.

"My fear was how much it affected the players, not how much it affected me.

"I decided I would take the stick, I would take the pressure off them by creating the cupping of the ear.

"I thought it was unfair at that particular time.

"They could vent their anger at me, no problem – but keep away from the players because if you affect them, then they don't play here, they are frightened to play here.

"When they get to that stage they can't perform to their best and it's a vicious circle.

"At that particular time it didn't matter how we won as long as we won – and we did win."

Hull boss Steve Bruce, 54, has thanked best pal Allardyce, 60, for flying the flag for the "dinosaurs" surviving in the Premier League.

"We get called old dinosaurs, but if you have done what Sam has done over the years, going with the flow, you will succeed," said Bruce *(right)*.

"Sam has proven himself by doing it for so long and by the way he has done it.

"He had Bolton sixth for three years – that's remarkable.

"Within four years he brought West Ham up, kept them up, and they look as good a West Ham team as I've seen for years."

CLARETS ARE LEFT PUNCH DRUNK BY COMEBACK

Burnley 2
Crystal Palace 3

ALAN PARDEW'S battle cry paid off as Palace came back from the dead to secure a vital win in this relegation scrap thanks to Dwight Gayle's late winner.

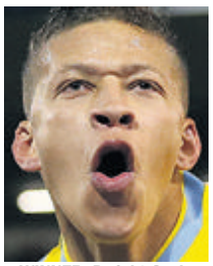
Pardew called on his players to show more of the fight they had displayed under Tony Pulis when they beat the drop last season.

And they responded by recovering from going 2-0 down in the first 15 minutes to deliver a hammer blow to Burnley's survival hopes.

Ben Mee and Danny Ings struck as the Clarets looked to make it back-to-back home wins.

But two goals from Gayle – either side of a Jason Puncheon leveller – extended Pardew's winning start in dramatic style.

Burnley made a dream start thanks to Mee, who headed home only his second ever senior goal from a 12th-minute Kieran Trippier corner.



WINNER: Dwight Gayle

Rocking

And just three minutes it was 2-0 when Ings bagged his seventh of the season.

Palace were furious that play was allowed to go on as Scott Arfield robbed Joel Ward on the touchline with the ball looking to have gone out of play.

But Arfield picked out Ings with a perfect pass and the striker's touch and finish past Julian Speroni were equally as good.

Palace were rocking, but hit back before the break.

Wilfried Zaha caused havoc and from his low cross, Gayle fired in to give the Eagles their first league goal on the road since November.

Suddenly it was Burnley who were feeling the pressure – and three minutes into second half it was all square.

Puncheon was allowed to run with the ball and he punished the Clarets with a 25-yard thunderbolt.

Burnley replied with a Michael Keane volley cleared off the line by James McArthur.

But Palace won it late on when Gayle drilled in to complete the unlikely turnaround.

Bojan keeps Foxes trapped at the bottom

Leicester 0
Stoke 1

BARGAIN buy Bojan upstaged £9million Leicester new boy Andrej Kramaric as the Foxes' survival hopes took a huge blow.

Bojan – signed for less than £1m by the Potters from Barcelona last summer – settled a tight contest to leave rock-bottom Leicester three points from safety.

He finally made the breakthrough in the 63rd minute with his fourth goal in 11 games to end Leicester's four-match unbeaten run.

The Foxes could count themselves lucky to finish the game with 11 men after Marcin Wasilewski escaped a second yellow despite a blatant shoulder barge on Asmir Begovic.

The home side then had Ben Hamer to thank when he pulled off a one-handed wonder save to parry Steven N'Zonzi's thumping volley from inside the box.

But their resistance was broken in the 63rd minute when Jon Walters fed Bojan *(above)* on the edge of the area and he drove a pinpoint low strike inside the post despite Hamer's best efforts.

Pearson responded immediately by introducing Kramaric and he quickly served up a snapshot of his potential after cutting inside before driving a low shot straight at Begovic.

There was, however, no fairytale start for him as the day belonged to Bojan.

LEE TOMLIN got Boro's promotion assault back on track.

The midfielder scored twice to clinch a badly-needed win for Aitor Karanka's side.

Tomlin lashed in his first in the 61st minute and added another from a stoppage-time breakaway, rolling the ball into the empty net ball after Huddersfield keeper Alex Smithies had gone up for a corner.

Kike also hit the post for Boro, but keeper Kimi Konstantopoulos had to make two fine saves in the closing stages from Nahki Wells, who also hit the post.

Fulham 2
Reading 1

BRYAN RUIZ struck an injury-time winner to move Fulham further away from trouble.

The Cottagers went ahead in the 55th minute when Sweden midfielder Alexander Kacaniklic scored his first goal for the club in 14 months.

But Reading were level eight minutes later as Pavel Pogrebnyak headed in his first league goal of the season against the club he scored six goals for while on loan in 2012.

But Costa Rican forward Ruiz netted a header from close range at the death to move Fulham eight points clear of the drop zone.

Norwich 3
Cardiff 2

NEW Norwich boss Alex Neil saw the best and worst of his team after they almost blew a three-goal lead.

Gary Hooper, Kyle Lafferty and Cameron Jerome all scored in a pulsating first half.

Alex Revell sparked a Cardiff revival on his debut when he netted on the hour.

Then he flicked on for substitute Radeem Harris to score four minutes later.

Canaries keeper John Ruddy saved a Peter Whittingham penalty, while Jerome cleared off the line against his old club.

BUOYANT Bolton held off Wednesday's revival to make it one defeat in 12 for Neil Lennon's men.

Liam Feeney snapped up Josh Vela's assist to fire Bolton ahead on two minutes.

Then in-form midfielder Darren Pratley latched on to Emile Heskey's headed pass to plant another in the bottom corner.

Wednesday grabbed one back two minutes later via Chris Maguire's penalty.

The Owls hit the bar and post after sub Sam Hutchinson was sent off for a second yellow card near the end.

CHERRIES BACK ON TRACK AFTER CALLUM CRACK

Rotherham 0
Bournemouth 2

NORMAL business was resumed as leaders Bournemouth returned to winning ways.

The Cherries' 14-game unbeaten league run came to an end with defeat to Norwich a week earlier.

But skipper Tommy Elphick headed Eddie Howe's side in front on the stroke of half-time before Callum Wilson *(left)* wrapped up the points.

Bournemouth recently thrashed Rotherham 5-1 in the FA Cup – and had three first-half chances to take the lead in this game.

Matt Ritchie found the side netting before Marc Pugh headed narrowly wide and leading scorer Wilson was brilliantly denied by Adam Collin.

Cherries keeper Lee Camp kept out Adam Hammill before Jack Barmby shaved the post as the Millers threatened to break the deadlock.

But those hopes were extinguished when Elphick struck the opener before Wilson bundled home his 14th goal of the season from close range to double the advantage.

Brett Pitman almost added a third, his 20-yard free kick drifting just wide, before Rotherham's Conor Sammon fluffed a close-range header and Paul Green blazed over.

The City Ground boss was under pressure coming into this match as his team have limped to two wins in their last 20 matches.

But a battling performance and deserved three points at their biggest rivals should be enough to see him safe… for now.

Britt Assombalonga equalised in the 75th minute, poking the ball home from close range from Jack Hobbs's knockdown after Henri Lansbury had put the ball into his own net in the first half.

Then Osborn was allowed to stride forward unchallenged in the final minute to rifle home a Forest winner.

Derby had taken the lead from their first corner of the match, which was conceded by Hobbs after a dangerous run down the left flank by Jamie Ward.

Scottish international Johnny Russell fired the ball in and Lansbury, who was on his own and under no pressure, miscued his header. The ball flew in at the near post giving Dorus de Vries in the Forest goal no chance.

Sensing panic in their rivals, the Rams tested Forest's ability to defend corners by winning another five.

Pearce's side survived, but not without a couple of hairy moments – in particular when Assombalonga sliced into the side-netting.

Appeals

It should have been Forest who had the chance to open the scoring from their first corner.

There were five minutes gone when Craig Buxton wrestled Assombalonga to the ground for what looked a clear penalty, but ref Andrew Madley waved away Forest's appeals.

Assombalonga *(right)* fired a shot straight at Lee Grant and hit the bar late in the half.

At the other end De Vries had to be at his best to tip over a Ward effort, while Will Hughes also went close.

BELTER FROM BEN SAVES PEARCE

Brighton 0
Brentford 1

IT was a miserable first home game in charge for Brighton manager Chris Hughton as his side slumped to a painful defeat.

Striker Andre Grey fired the first-half winner to keep Brentford fifth and on track for the play-offs.

Hughton's problems increased when Albion defender Lewis Dunk was dismissed on the hour for a needless shove on Ramallo Jota.

Brentford had further chances to increase their lead. The best fell to sub Jon Toral, but the ball stuck under his feet five yards out with the goal at his mercy.

Millwall 1
Ipswich 3

THE pressure is mounting on Millwall boss Ian Holloway after Ipswich pushed themselves into an automatic promotion spot.

The Tractor Boys had the perfect start after five minutes when Stephen Hunt fed his younger brother Noel to slot home.

And Hunt Junior doubled the lead on 14 minutes with a tap-in from Kevin Bru's cross.

Magaye Gueye gave the struggling Lions a lifeline on 43 minutes.

But Jonathan Parr sealed the pointsfor Mick McCarthy's men on 77 minutes.

Watford 5
Charlton 0

ODION IGHALO'S double inspired Watford to a crushing victory.

Gabriele Angella and Troy Deeney missed great chances before Craig Cathcart put the Hornets ahead on 15 minutes, finishing off Ighalo's knockdown in the area.

Deeney doubled the lead 10 minutes later when he outmuscled Andre Bikey to slot home.

Ighalo tapped in Juan Carlos Paredes' cross a minute before the break, then headed in Daniel Tozser's 58th-minute corner.

Tozser's brilliant late free-kick completed the rout.

Wolves 2
Blackpool 0

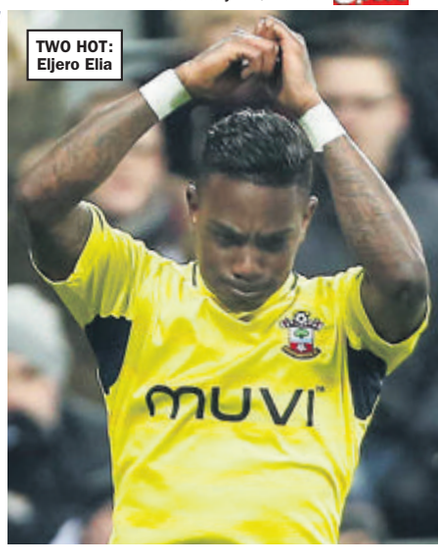
DAVE EDWARDS turned from villain to hero to ensure Wolves celebrated Sir Jack Hayward Day in style.

Wales international Edwards bundled home a Rajiv van La Parra cross four minutes from time to end Blackpool's brave resistance.

Wolves crowned an occasion when they paid homage to their former owner, who died earlier in the week, with new signing Benik Afobe marking his debut with a goal.

Edwards had earlier been guilty of two glaring misses.

But he got it right at the third attempt.



TWO HOT: Eljero Elia

DOUBLE DUTCH SHOWS SAINTS MADE EL OF A GOOD SIGNING

THE Saints go marching on – thanks to a double Dutch finish from Eljero Elia.

Southampton's recent loan arrival from Werder Bremen grabbed a goal in each half to catapult Ronald Koeman's men back up to third above Manchester United as their dream season just gets better and better.

Saints bagged a first win at St James' Park for almost 18 years, as the ex-Holland youth star fired the patched-up Saints to an eighth game without defeat.

And they could have won with more to spare as striker Graziano Pelle hit the bar with a late header to leave Newcastle with just one victory in nine games and caretaker boss John Carver winless in four matches.

Shock

Ayoze Perez and Yoan Gouffran were denied by former Toon keeper Fraser Forster as Newcastle sprinted out of the blocks – only to fall to a sucker punch as the Saints took a shock lead.

Elia continued his impressive start to life in the Premier League as the Dutch midfielder took just 14 minutes of his second start to score his first goal since his loan move.

Pelle knocked the ball down for James Ward-Prowse, whose pass into the area was perfectly weighted for Elia.

The former Dutch Under-21 star's first-time finish beat both Daryl Janmaat and keeper Tim Krul to find the bottom corner from a dozen yards.

Jose Fonte should have done better soon after when Newcastle were guilty of more poor marking at a free-kick swung in by Ward-Prowse.

The defender rose well but could only guide his free header slightly too high.

It was a miss Saints were made to regret as Newcastle equalised on 29 minutes – helped by a slice of luck.

A clearance by Florin Gardos struck Gouffran and looped into the top corner from 15 yards for the midfielder's first goal in almost 13 months.

LUCKY STRIKE: Gouffran

Thumped

Elia doubled his tally in the 62nd minute to restore Southampton's lead.

Sub Shane Long flicked the ball on for the Dutchman, who found the bottom corner from inside the box with the help of a deflection off Janmaat.

Saints came close to adding a third when Pelle's header from Nathaniel Clyne's cross thumped against the crossbar.

But Newcastle were denied a stoppage-time penalty when sub Emmanuel Riviere's shot struck Fonte on the arm.

Newcastle 1

Wigan 1
Blackburn 1

JAMES McCLEAN rescued a point for relegation battlers Wigan – even though he should not have been on the pitch.

Blackburn took the lead when Wigan keeper Scott Carson punched clear a corner.

The ball fell for Corry Evans on the edge of the box and he curled a beauty into the top-right corner.

In a bad-tempered contest the Latics should have been reduced to 10 men following a horror tackle from McClean on Rovers left-back Markus Olsson.

And McClean equalised just after the hour when he climbed highest to meet Shaun Maloney's free-kick and headed home.

It's refin' hell after late Luke rescue act

Leeds 1
Birmingham 1

LUKE MURPHY struck late to snatch a priceless point for Leeds in their bid to beat relegation.

But Neil Redfearn's strugglers were still left livid after going behind to a controversial early penalty.

And angry players from both sides rowed with the ref – and each other – on the final whistle.

Birmingham struck on six minutes when Leeds skipper Liam Cooper was judged to have tripped Clayton Donaldson in the box.

After two minutes of fierce complaints from home players, Paul Caddis coolly buried the spot-kick into the bottom right-hand corner.

To make matters worse, Leeds had a similar shout turned down after Paul Robinson appeared to trip Sam Byram.

But Murphy *(above)* equalised four minutes from time when he buried an unstoppable 12-yarder after Byram's cross had been headed out to him.

Even then the controversy wasn't over, with Leeds claiming they should have had a stoppage-time penalty for handball.

Leeds put their early woes behind them and were much better after the break, with Steve Morison's glancing header hitting the post.

But Birmingham hit back, with Demarai Gray's long run ending in a near-post shot that was well saved.

Then Donaldson guided a clever header against the Leeds post.

Lambo's Villa blankers Kop another day on the boos

VILLA fans boycotted the final eight minutes rather than the first eight minutes as their side's goalscoring woes continued.

Supporters were urged to stay out of the Holte End for the start of the game in protest at the running of the club.

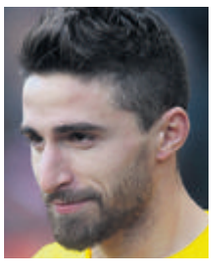
But there were fewer in their seats late on as goals from Fabio Borini and Rickie Lambert gave Liverpool a comfortable win.

Brendan Rodgers' side rarely broke sweat in this one, even without rested captain Steven Gerrard.

Villa had Fabian Delph back from a shoulder injury and the mood was generally one of support early on.

And in contrast to recent weeks, they at least created chances.

Nathan Baker headed over from Ashley Westwood's free-kick, while Christian Benteke nodded straight at Simon Mignolet.



DROUGHT OVER: Borini

Intelligent

But Liverpool took a 24th-minute lead through Borini as he stabbed in Jordan Henderson's cross for first Liverpool goal in nearly two years.

Raheem Sterling should have sealed victory before half-time as he attempted to chip Brad Guzan in a one-on-one situation, but the effort did not trouble the American.

Villa could have levelled shortly afterwards, with Carlos Sanchez's long-range effort coming close to catching out Mignolet.

And Tom Cleverley missed from a good spot from Westwood's intelligent pass. Borini hit the post early in the second half.

But sub Carles Gil helped Villa to find a spark. It took a superb stop by Mignolet to keep out Benteke's powerful effort after Baker had flicked on Delph's cross.

But Liverpool went on to wrap the game up as Lambert drilled home from the edge of the area.

He ran towards the visiting fans to celebrate, a decision that resulted in his booking.

He won't mind, but Villa fans will continue to despair as they yet again booed the players off.

CHELSEA went goal crazy at the Liberty Stadium.

Oscar and Diego Costa both scored twice in the first half as Swansea were blown away by Jose Mourinho's side.

Sub Andre Schurrle made it 5-0 in the final quarter as the Blues moved five points clear of Manchester City, who play Arsenal today.

Chelsea seized on an early error from Gylfi Sigurdsson to take the lead inside a minute.

Sigurdsson's pass to Tom Carroll bounced off the Tottenham loanee and straight into the path of the Brazilian.

Three touches later and Oscar was celebrating a 20-yard strike that gave Swans goalkeeper Lukasz Fabianski no chance.

Upright

Swansea came within inches of equalising direct from the restart.

Sigurdsson let fly from 25 yards out, but the ball struck the outside of the upright and bounced away for a goal-kick.

Stung by such a poor opening, Garry Monk's side were back on the front foot straight away.

Wayne Routledge saw his goal-bound shot blocked by Branislav Ivanovic.

At the other end, Willian fired over after Oscar's shot had been parried by Fabianski. Then Oscar was

DEFOE IS ECLIPSED BY

Tottenham 2
Sunderland 1

SUNDERLAND new boy Jermain Defoe was meant to be the star at White Hart Lane – but his old Spurs pal Christian Eriksen stole the show.

The little Dane was the standout star as he bossed the match and scored an 87th-minute winner. Black Cats fans who came to cheer Defoe – their new signing from MLS side Toronto – ended up chanting the name of Costel Pantilimon after the giant goalkeeper pulled off a string of saves to keep their team in it. Defoe didn't manage a single shot on target and was hauled off in the second half.

Spurs were ahead after only three minutes as Sunderland made a mess of a simple cross from Eriksen. Santiago Vergini fluffed his clearance and the ball came out to Jan Vertonghen, whose shot hit John O'Shea on its way past Pantilimon.

The visitors looked to Defoe for a reply, but he was having problems getting on the same wavelength as his new team-mates. He drifted offside when a through-ball came too late, and he had to cross instead of shoot when a Steven Fletcher pass sent him too far wide.

Tottenham could have gone further in front, but Pantilimon came to the rescue three times. First

just wide and Eden Hazard was denied by a smart save from the Polish keeper.

But they got their second in the 20th minute.

Fabregas, Willian and Oscar combined on the edge of the box to set up Costa for a simple finish.

Swansea's day went from bad to worse 10 minutes before the interval.

World Cup finalist Federico Fernandez passed the ball back but straight into the path of Costa, who finished with ease.

A minute later it was four.

This time a wonderful counter attack led to another chance for Oscar, who rifled his shot past Fabianski.

A spot of handbags between fiery Costa and Swansea captain Ashley Williams lit up the early moments of the second half.

Pressure

Five minutes later a Sigurdsson free-kick led to the first corner of the game.

The second – at the opposite end – once again heaped the pressure on Swansea, who were very glad to see Gary Cahill's backward header sail harmlessly wide.

Chelsea continued to create good chances, with Fabregas hitting his shot straight at Fabianski.

With Tuesday's Capital One Cup semi-final against Liverpool in mind, Chelsea did ease off the gas.

But they were rarely in trouble and two Nelson Oliveira shots were the Swans' only efforts.

Mourinho took off Costa, Willian and Fabregas before Schurrle turned home an Ivanovic cross to make it 5-0 and add the final insult for the Welshmen.

SIMPLY THE CHEST: Marouane Fellaini

Super subs keep heat on Harry

MAROUANE FELLAINI and James Wilson came off the substitutes bench to nudge Rangers boss Harry Redknapp closer to the exit door.

The Man United duo heaped further misery on Redknapp, who has been at the centre of speculation that he is fighting to save his job.

Fellaini and Wilson also spared the blushes of Radamel Falcao, who missed two easy chances as he failed to seize his chance in a rare start.

Redknapp had been boosted by the news that there was no Robin van Persie to deal with, but Louis van Gaal still boasted firepower to envy.

There was a recall for Falcao, despite the United boss casting doubt over his future with recent omissions.

And the on-loan Colombian had the first chance of an error-prone first half.

Reflex

Juan Mata's cross saw Falcao fail with two close-range efforts as Robert Green's reflex saves kept him out in the 13th minute.

You wonder where QPR would be without Charlie Austin, who has single-handedly kept their heads above water.

So it was no surprise that the top scorer tested David de Gea in the 19th minute.

The United keeper would be called into action again when he acrobatically tipped another Austin shot over his crossbar.

The travelling fans called for Van Gaal to ditch his 3-5-2 tactics and revert to 4-4-2.

Their cries fell on deaf ears, but there was a reshape of the system with Fellaini replacing Mata at half-time.

Falcao was left wondering how Green had pushed out his 56th-minute header from Angel Di Maria's cross.

But Green would be beaten two minutes later by Fellaini.

Struggling

Wayne Rooney and Antonio Valencia combined for the Belgian to strike home from eight yards out.

Leroy Fer blazed over but Rangers, who have been so strong on their own patch, were struggling to find a way back into a poor game.

Michael Carrick and Marcos Rojo were involved in a mix-up going for the same ball, but Eduardo Vargas failed to make the most of the opportunity presented.

The moment summed up the spectacle as rookie striker Wilson scrambled home late on to seal the win.

HIS OLD MATE ERIKSEN

he went full-length to block Eriksen's low shot. Then he was out quickly when a long ball caught out the defence and Roberto Soldado was clean through.

He saved the best for last with a spectacular diving effort as Eriksen's shot arrowed towards the top corner. On 31 minutes Vertonghen flattened Defoe and Seb Larsson curled a peach of a free-kick over the wall and in.

Spurs came close to retaking the lead just before half-time when Harry Kane, quiet until then, sent an angled drive against the foot of the post with Pantilimon beaten. Kane had another chance when a quickly-taken free-kick from Eriksen *(right)* sent him clear, only for Pantilimon to get in the way again.

Sunderland boss Gus Poyet took Defoe off after 75 minutes and his side created a good chance when Hugo Lloris could not hold Adam Johnson's long-range effort, but Connor Wickham hit the rebound too close to the Spurs keeper.

Justice was done three minutes from time when Spurs substitute Andros Townsend rolled in a cross and Eriksen's first-time shot went in off the inside of the post.

There was still time for Lloris to pull off a match-saving stop from Danny Graham, before Spurs broke away to set up Vertonghen to stroke the ball into an empty net.

He was, however, given wrongly offside.
